ACKNOWLEDGMENT OF NON-COMPLIANCE

Non-Compliance is defined as failure without good cause to comply with program requirements or component of the Case Plan. Non-Compliance will result in a penalty and/or sanction being imposed, which will result in a reduction in the CTPP monthly grant or case closure. The Participant will not be eligible for supportive services until the penalty/sanction has been lifted and the Participant has regained a good standing with the program.

Good standing means the Participant has participated in all required testing, training and any other requirements.

Consequences of Non-Compliance: When a Participant fails, without good cause, to comply with program requirements the individual will serve either a penalty or sanction. Participants will move to the next level under the process and will not repeat the previous level within a twelve (12) month period (Anniversary date to Anniversary date). There are two types of Non-Compliance, *general* and *specific*:

A. General Non-Compliance with program requirements may include:

1. **Failure to meet required Work Participation hours.**
2. **Failure to develop a Self-Sufficiency Plan in 30 days after eligibility intake and recertification.**
3. **Failure to participate in assigned Case Plan activities.**
4. **Failure to attend scheduled meeting with Caseworker/Site Manager.**
5. **Resign employment or refusal of work offered without reasonable justification.**

Non-Compliance in one or more of the above will result in the following:

- a. First Non-Compliance month – Verbal Warning. This sanction action initiates the progressive levels of sanctions.
- b. Second Non-Compliance month – 25% reduction of the TANF grant amount for one (1) month (Sanction level one)
- c. Third Non-Compliance month – 35% of the TANF grant amount for one (1) month (Sanction level two)
- d. Fourth Non-Compliance month – 50% of the TANF grant amount for one (1) month (Sanction level three).
- e. Fifth Non-Compliance month – 50% of the TANF grant amount for one (1) month (Sanction level three) and case will close at the end of this month. The client is eligible to re-apply after three (3) months from the month of closure.
- f. If a Participant voluntarily closes the case while in a sanctioned status and re-applies within six (6) months the client returns at the prior sanction level. Resolved sanctions will restore the grant to normal status.

B. Specific Non-Compliance includes:

1. **Failure to turn in Monthly Eligibility Report (MER) by the 10th of the required month**
 - a. 1st time MER is late: verbal warning

- b. 2nd time MER is late: \$25 penalty
- c. 3rd time MER is late: \$50 penalty
- d. 4th time MER is late: \$100 penalty
- e. 5th time MER is late: case closure

Should the 10th of the month fall on a weekend or holiday, the due date is extended to the following business day. The Participant may not reapply after case closure for three (3) months from the date of closure.

2. Failure to complete Drug Screening Process

A. New Intake/Recertification Drug Screening

New, current and child-only intake Participants are given ten (10) calendar days to complete the testing. Should the Participant fail to test at intake/recertification: Case is closed the last day of the month. The Participant may reapply on or after the first day of the following month.

B. For Cause Drug Screening

Should a CTPP staff member observe an active Participant who appears to be under the influence of drugs or alcohol, the Participant is verbally notified, at the time of observation, and given a testing form to complete the drug screening at the assigned location by the close of business. Failure to complete the drug testing after notification results in immediate case closure. The Participant may not reapply after case closure for six (6) months from the date of closure.

3. Failure to submit MER before end of the month

- Case is closed the last day of the month. Participants may reapply on or after the first of the following month and the case remains in retrospective budgeting to calculate the current and subsequent months' grants.

MER Reinstatement:

After a case has been closed due to a missing MER the Participant has 30 days to have their case reinstated to Approved Status.

4. Failure to submit required documentation within 30 days of request

Case is closed the last day of the month. Participants may reapply on or after the first of the following month.

5. Failure to complete Recertification in the month it is due

Case is closed the last day of the month. Participant may reapply on or after the first of the following month.

6. Failure of a child(ren) to attend school- 20 or more unexcused absences in a semester

The child will not be eligible for any supportive services with the exception of Web-based learning software.

7. Failure to turn in Childcare Timesheets by the 10th of the month.

- 1st time Timesheets are late: Verbal warning
- 2nd time Timesheets are late: \$25 penalty
- 3rd time Timesheets are late: \$50 penalty
- 4th time, and all subsequent months, Timesheets are late: \$100 penalty

8. Participant conduct (abusive language, sexual harassment, abusive or intimidating behavior, physical violence or threats toward staff/facilitators or Participants, and/or any illegal activity).

Depending on severity of incident, the penalty will be determined by the Executive Director. Penalties may include a sanction up to, and including, case closure.

DRUG TESTING ACKNOWLEDGMENT

All CTPP adult Participants will undergo chemical dependency testing for use of chemical substances. The use of drugs is directly adverse to the goal of CTPP to promote and maintain healthy, self-sufficient families.

ALL CTPP adult Participants are required to take a drug test upon initial intake, upon recertification and at any time that a Participant/Non-Needy Caregiver appears to be under the influence in the presence of any CTPP staff member. New Participants are required to appear for drug testing no later than 10 calendar days after the initial intake date. Participants/Non-Needy Caregivers suspected of drug use by a CTPP staff member will complete the required drug testing by the close of business that day. Refusal to test shall be treated pursuant to the CTPP Mandatory Drug Testing Policy.

If a Participant refuses to cooperate during the initial phase of drug testing, they will be notified immediately that their case will be denied/closed in ten (10) days.

Participants/Non-Needy Caregivers who test positive are referred for Substance Use Disorder evaluation.

Following CTPP Substance Use Disorder Intake: The Participant will be scheduled for a retest 90 calendar days from date of their CTPP Substance Use Disorder Intake.

At the scheduled 90 calendar day date, the Participant repeats drug testing. If the Participant tests positive, an A/D Level One Sanction is applied (25% reduction of grant amount). If the Participant tests negative for drugs, no further action will be taken.

If the Participant tests positive at the 90 day test, another test will be given at 120 calendar days. If the Participant tests positive at the 120 calendar day test, an A/D Level Two Sanction is applied (35% reduction of grant amount). If the test is negative no further action is taken.

If the Participant tests positive at the 120 day test, one final test is scheduled at 150 calendar days from initial Substance Use Disorder assessment. If the Participant tests negative, no further action will be taken. If the Participant tests positive, the case is closed effective the last day of the month. Participant may reapply and re-test six (6) months from date of case closure.

If at any stage above Participant does not re-test by the date required, case is closed effective the last day of the month. Participant may reapply and re-test six (6) months from date of case closure.

Non-Needy Caregivers will follow this policy with the exception of no monetary deductions.

Growing of Marijuana in the Participant's/Non-Needy Caregiver's residence or the residence in which they currently reside results in a status of Non-Compliance and possible case closure.

As a federally funded program of the Department of the Administration for Children and Families under the Department of Health and Human Services, California Tribal TANF Partnership does not recognize state or local laws concerning the legalization of marijuana in whole or in part.

I have read and understand the above policy.
