Genealogy Tidbits

Claude Arpen

In 1821, Spain ceded the territory of Florida to the United States. Charlton Tebeau's "A History of Florida" states that the population was about 4,000. Many quickly drifted away when they discovered little opportunity. Florida had fewer inhabitants than at any time since discovery in 1513.

Next year will be the 200th anniversary of this event. I'm sure the state is planning some kind of celebration. Our area historical and genealogical societies may organize some event. We will try to keep you posted of any plans that are in our northeast Florida area.

Our April meeting has been canceled due to the Coronavirus. Hopefully we will return to our normal scheduled meeting soon. Pray for our country, be safe and don't forget to support your local businesses.

Our normal meetings of the West Nassau Genealogical Society are the second Monday of each month at 10:30 a.m. at the Callahan Lions Club, located on US Highway 1, north of the fairgrounds. Visitors are always welcome.
