

DOROTHY ANN MILLIGAN

Dorothy Ann Milligan, 70, of Callahan, passed away July 3, 2024 at home. Dorothy spent most of her life taking care of others, as a single mother, a grandmother, a daughter, a sister, and as a nurse. She enjoyed fishing, karaoke, and watching true crime documentaries. She also - begrudgingly - enjoyed spending time with her daughters' family pets. She was fiercely independent and quick witted, always keeping those around her laughing and on their toes. She loved to be by the water, whether it was the lake, river, or ocean, and was able to spend some of her last days at the lake with her family.

She was preceded in death by her parents Jack Gordon and Vivian (Haddock) Carver; siblings Jeanette (Frank) Saig, James (Glenda) Gordon, Phillip Gordon and Glennie Chavis.

She is survived by her daughters Lorrie (Wayne) Bell and Sherri (Jeffrey) Milligan; grandchildren Halie (Nathanael) Kramer, Kennedy Crandell, Garrett Bell, Kaleb (Megan) Crandell and Laila Griffin; and one great-grandson Callan Kramer.

A private family celebration of life service will be held Sunday, July 28.
