

JUST MY OPINION

Roger R. West

If you watched the Vice Presidential debate last week for the full 90 minutes, my hat comes off for you. I lasted a little less than 45 minutes and could no longer tolerate looking and listening to Kamala Harris. My mother always says if you can't say something nice about someone then its best not to say anything. I haven't been very good at that lesson, but I will do so today concerning Ms. Harris. The good I see in her is as follows.....Nothing, period.

I have a concern on the Nassau County Judge in Group 1 election that will be decided on November 3rd. One of the candidates, John Cascone, has been a long time attorney on the east side of Nassau County. There are only a few things I know of John Cascone prior to his bid for Judge. One is what my ex-son-in-law had told me previously. He has always respected Cascone. Second, Cascone was the only candidate that did not respond to our (Westside Journal) candidate questionnaire. Last week I was sent a news article from eyeonjacksonville.com. The article was written by Billie Tucker Volpe, Founder of Eye On Jacksonville and Leadership Consultant to CEO's/ Executives.

In Volpe's article she states that Cascone is campaigning as a conservative and claims on his website to "...upholding The Constitution and All Amendments without legislating from the bench." This is the way a judge should always conduct themselves. However, if Cascone's past political stance is still his current stance, then conservative is far from any description of him. In 2016, Cascone posted on social media a post from Occupy Democrats. The post stated, "Voting is just like Driving. If you want to go backward choose 'R'. If you want to go forward CHOOSE 'D'." Volpe stated she was curious why he would post something from "Occupy Democrat" because their mission is far from what the Constitution provides. Another post on social media in 2016 was a drawing depicting Donald Trump as a baby in a soiled diaper dragging a world globe off a table. In Other Words, Trump would destroy the world by being President. One other post Cascone entered on his social media platform in 2016 was a statement that began with, "As a liberal..." Maybe he has changed, I certainly don't know. So who is the real John Cascone? I encourage you to research him prior to voting for him. Visit: <https://casconeforjudge.com>.

My stance on all the other races are really simple, Vote Republican, they may not be perfect, but the other side is Insane!

As always...that's just my opinion!
