

ROBERT WILLIAM TESTON

Robert William Teston, 54, went home to be with the Lord on April 26, 2020. He passed peacefully with his loving wife by his side after an extended illness. Robert was born September 8, 1965 in Jacksonville, to Willie and Martha Teston. He lived most of his life in Callahan, before moving to Crescent City three years ago to enjoy living by the water. Robert loved to fish and go out on his boat. He loved to make others laugh. The world lost a one-of-a-kind person that will be missed by all who knew him. We will always carry your memory in our hearts. He is preceded in death by his parents; and his sister Gail Holmes.

Robert is survived by his loving wife, Tammy Teston; sisters Cathy (Richard) Wright and Terri McAninch; his nieces and nephews; and many beloved friends.

A Celebration of Robert's Life will be held Saturday, May 16 at 3 p.m. at 541727 US Highway 1, Callahan.
