Thanks for Supporting the Bicycle Ministry!

Dawn S. West

I was recently contacted by Brian Hazlett, Church Administrator at Kings Road Baptist Church, concerning their Bicycle Ministry. Several weeks ago we published a story about the ministry. In the story, the church ministry requested donations of gently used or new bicycles. From the article, you our readers gave over a dozen bikes to this ministry! For this...I thank you! Make sure you check your garages and storage buildings for those unused bicycles and donate them.

The 'congregation' of people enjoy a meal and a message of God's love each week! Shown are the 'congregation' eating and also one of the recipients of a bicycle, Terri. She is very grateful for this special gift! Thank you again for your support of our bicycle ministry. You have had an impact and made a difference in the lives of many.

The Armory of Kings Road Baptist Church collects bicycles to provide to the Homeless by way of He Said Go Ministries. The Armory accepts

donations of working adult bicycles or bikes that need only minor repairs, such as new tubes/tires, new seats or kick stands. The men clean the bikes, make the repairs, and deliver them, along with cable locks for security, to Bro. Bill Clayton of He Said Go Ministries, where they are distributed according to need. One can easily see that these bicycles are eagerly and enthusiastically received.

In order to continue this outreach, The Armory welcomes donations of adult bicycles. If you have bicycles to donate, there are a number of ways to contact Kings Road Baptist Church: call 904-551-9617 between 9 a.m. - 2 p.m. Monday through Thursday; email: krcadm@gmail.com; or by message on Facebook Kings Road Baptist Church Group: www.facebook.com/groups/101570587632.

The Annual Callahan Christmas Parade will be held this Saturday beginning at 11 a.m. If you have never experienced this local parade, you've certainly missed a treat. This is a tradition for many families and a first for many others. This is just another reason to be thankful that we live in a small town.

The parade route will begin on the north end of town starting at Dixie Avenue, beside the Depot. The parade will travel south on US Highway 1 all the way through Callahan to 5th Avenue, beside Baptist Primary Care.

The parade will continue on 5th Avenue to Mickler and turn right; go all the way down Mickler back to the Callahan First Baptist Church parking lot.

Make your plans now to get a spot to watch and enjoy the annual event. Prior to the parade, vendor booths will be located in Thompson Mall and will be open from 9 a.m. until 2 p.m. Vendors include: arts & crafts, woodworking, food, snacks, plants and lots of Christmas gift ideas.

If you've never attended this parade, try to make sure to see it this year! It will certainly bring a smile to your face!

Hilliard Christmas Tree Shines!

Saturday evening, Hilliard officials and residents gathered to watch the official beginning of the Christmas season with the lighting of the town Christmas tree. The tree is located in front of the Hilliard Life Care Center. There was singing of Christmas carols but the icing on the cake was when Santa Claus made his arrival. He was welcomed by the young and old taking time to take lots of pictures!

Sons of Confederate Veterans Installs Headstones

Kim Hoeffcker

On a recent Saturday, members of Kirby-Smith Camp 1209, Sons of Confederate Veterans volunteered and travelled to two Clay County cemeteries, Federal Hill and Peoria, for the purpose of installing headstones for five Confederate veterans and one veteran of the

Spanish American War.

Peoria Cemetery is well maintained and the work went smoothly. The work at Federal Hill was more challenging as it is in a heavily wooded parcel of land. The men of the Kirby-Smith Camp take pride in knowing that these veterans now rest in honorably marked gravesites.

Callahan Barbecue Accolades

Dear Editor,

Recently, a fast food fried chicken establishment opened in Callahan. It seems to stay busy, too. I understand the idea about new business is good for a small town and such. I just don't want us to forget about a local restaurant that has been in Callahan many years and served us well. I'm referring to Mr. Danny Murray and Callahan Barbecue. I believe that probably every family, church group, youth athletic association, school, and civic club, etc. in our area has benefited many times over from the kindness, generosity and great prices offered by Mr. Danny. I know when I have gone

to him all I had to do was tell him the number of people to be served and what I wanted from his menu and he took care of the rest. I have never been disappointed in the product or the price. I don't think you will ever get that kind of hometown service from a corporate owned business.

Will people continue to patronize the new place? Of course they will. I'm just asking that we not forget all the good Mr. Danny has done for us over the years and keep supporting that place we know as "The Chicken House!"

FSCJ Launches Two-Year Weekend Pathway to an A.A. Degree

Florida State College at Jacksonville (FSCJ) has launched Weekend College at FSCJ's Deerwood Center, a two-year pathway to earn an Associate in Arts (A.A.). Beginning with Spring Term 2021, students can complete all of the A.A. general education classes at the Deerwood Center and take the online elective classes needed to transition to a bachelor's degree program in as little as six terms.

"We know our students have a lot on them right now with all the new challenges and obstacles the pandemic has brought about. As the community's college, it's our job to do all we can to make a postsecondary degree and a

fulfilling future possible," said College President John Avendano, Ph.D. "Opening additional Friday evening and Saturday classes at the Deerwood Center is just one way we are able to support our students and help them achieve their goals during this uncertain time."

Additional weekend classes are available at other FSCJ locations and through online learning. Students are encouraged to schedule an online advising appointment at fscj.edu/advising to ensure they stay on track and to select online elective classes that align with their intended transfer major. To see a sample class sequence and learn more, visit fscj.edu/weekendcollege.

JUST MY OPINION

Roger R. West

Is our great Republic history? If Biden ends up stealing the Presidency from "We the People" my answer would be, yes. The only thing that could preserve enough of this great land is maintaining control of the Senate, and that all depends upon the run-off elections in Georgia. The Republican governor and the secretary of state for Georgia are as corrupt as socialist democrats, so the run-off election is no sure fire bet for the two Republican candidates. After all, the state allowed major voter frauds go unchecked in the Presidential election. I guarantee you, if the truth could be found out, we would see that Governor Kemp is in the swamp with the Dominion Voting Computer Company.

The first and foremost statement from Joe Biden that convinces me of his plan to ruin America was when he stated, this will be the end of the Trump's "America First" ideology. What the 2020? If I did not place my family first, what kind of man would I be? If I didn't place my business first, what type of a businessman would I be? So you tell me, what kind of a President will 'sleepy Joe' be when he doesn't

put America first? I say a loser, an anti-American, a treasonous and an Obama 2.0.

He is going to ensure that never again will there be a chance of another Republican President. His evil plan is to tear down the border wall; create a fast-track citizenship route for over 11 million illegal immigrants that are already in our country, plus all the new illegals that will be flooding the south border after January, which means millions and millions more Democrat voters. He will designate Washington D.C. as the 51st state, which will add two more Democrat Senators and give the Dems the majority. He will stuff the Supreme Court with left-wing liberal judges. He will also negate every one of President Trump's Executive Orders, rejoin the Paris Climate Agreement, rejoin the World Health Organization, attempt to reinstate the deal with Iran, just to name a few. Our Constitutional Rights will be under continual attack, especially the 1st and 2nd Amendments. When the last two occur, then my friends is when all hell will break lose. Yes... America as we know it will be gone.

As always...that's just my opinion!

Christmas 2020

Pastor Marty Paparo, Friendship Alliance Church, Callahan

This title seems like an oxymoron. You have Christmas, many people's favorite season; and 2020 most people's least favorite year. They almost seem like they don't belong together. In our church, we have a time where we share prayer requests. One of our deacons, this week said, "I pray next year is as good as this one." It got me thinking. Has 2020 been awful? Is the whole COVID experience awful? Is it frustrating that today marks one month since the election and we still don't have a

President-Elect?

But how much worse could it have been? There was no point during 2020 where my family went without eating. There were no foreign invaders in our country that we had to fight off. There was not a time this year that I had to salvage all the screws, bolts and nuts out of an appliance I was discarding because Ace didn't have any. There was not one time this year that I was persecuted for what I believe.

I think sometimes we forget the blessings we have because some moderately difficult times fall on us. God is faithful. He is always faithful and He will always be faithful. Even if more difficult times then the ones we are experiencing fall on us, He will be faithful.

This Christmas take the time to count your blessings. Remember all that God has done this year. But above all, this Christmas, remember the greatest blessing of all: that Jesus Christ came into the world.

Often times, we overlook how phenomenal this event is. An all holy, all perfect God came to this world. This world, that was full of sin and rebellion towards Him. Our sinfulness and the holy, perfect God could not be any further apart. It is a much larger contrast than putting Christmas and 2020 together.

A sinful world and a perfect God don't belong together, but God wouldn't have it any other way. God's desire for us to have our broken relationship with Him healed outweighed the sin of this world. He came to the earth anyway. He knew his coming to the earth, his sacrifice on a cross, and his resurrection from the dead was the only thing that could repair our relationship with Him. So He came to the earth.

This Christmas, before we hurry to leave 2020 behind, take time to recognize what God has done for us. He loves us.

Historical Society Seeks Artists for Upcoming Art Show

The West Nassau Historical Society is actively seeking artists and high school students from Nassau County to participate in their 9th Annual Nassau Art at the Callahan Depot (NACD) Art Show. The judged event is designed to showcase the many talented adult artists as well as middle and high school art students who reside in Nassau County.

The art exhibit will be held inside the historic Callahan Train Depot located at 45383 Dixie Avenue on Saturday, January 30, 2021. The quaint ambiance of the 139 year-old station and museum offers the perfect venue for county artists to display their works while giving the public a chance to check out many historic photos and artifacts on display inside the depot.

During this pandemic several aspects of the county-wide art show has been limited or moved to an exterior location. To keep all artists, visitors and volunteers safe several preventative measures such as temperature checks and social distancing will be followed. Artists will be restricted to only two judged art works and any who bring more of their art works to sell will be given an area outdoors on the depot platform. With the unpredictability of the virus and the weather, other aspects of the art show could change without notice.

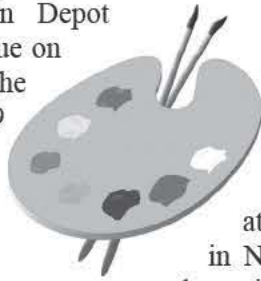

The all-volunteer nonprofit organization hopes all Nassau County artists will visit their website www.wnhsfl.org for entry applications and art show information. Deadline for entering

is noon Friday, January 15. The group also encourages Nassau County middle and high school students to contact the Historical Society or their art teacher for a student entry form.

Prizes will be awarded to the adult artists with the best art work in three categories: painting, photography, and 3-D art. The public attending the NACD event will also be given a chance to vote for their favorite art work with that artist receiving a People's Choice award. Another judged category will cover artwork from high school students who attend school or study at home in Nassau County. Gift cards and other prizes will be awarded to the top winners of each category.

The West Nassau Historical Society is a registered 501c3 nonprofit dedicated to preserving and promoting Nassau County's history and culture and is entrusted with the upkeep of the historic late Victorian-style Callahan Train Depot. They are also active in and receive support from Arts and Culture Nassau, a county-wide organization dedicated to promoting the arts and culture in Nassau County.

To become a sponsor or for more details on entering the show or becoming a volunteer visit our website www.wnhsfl.org, call 879-3406, or like us on Facebook. The Historical Society is always looking for new members and volunteers to help us promote our county's rich and diverse history and to put on historical and cultural events such as this.

Trent Fort 4 Ever 21 Foundation

A foundation has been started in memory of Trent Fort, who tragically lost his life in February. Trent was a very outgoing teenager who loved football. Trent's dream was to play for the NFL one day.

In memory of Trent, his mother Paige Hall began a foundation, Trent Fort 4 Ever 21 Foundation. This foundation is a way to help with scholarships for students to sponsor them with the necessary funds to play sports, cheer, equipment costs, etc. "This year my goal is to be able to provide two high school seniors with a scholarship," said Paige. "Trent was a giver in life and continues to touch so many even in his passing. Thank you for your support."

There are several ways to donate to the foundation: by check made to: Trent Fort 4 Ever 21 Foundation and take to any VyStar Credit Union; cash app: \$PaigeHall7; Venmo@Paige-Fort; or paypal.me/PaigeFort.

Sweet As Cyn Bakery & Café Celebrates Re-Opening And New Location

Dawn S. West

Congratulations to the mother and daughter team of Cindy Hicks and Haley Hicks Glisson on the reopening of their new location, new name Bakery & Café. The ladies officially opened Saturday on small business Saturday unveiling their beautiful new shop and updated menu selection. "We are so excited about being opened again. We have missed our customers and look forward to seeing them again," said Cindy. "We are so happy with the way the shop turned out. It's beautiful!"

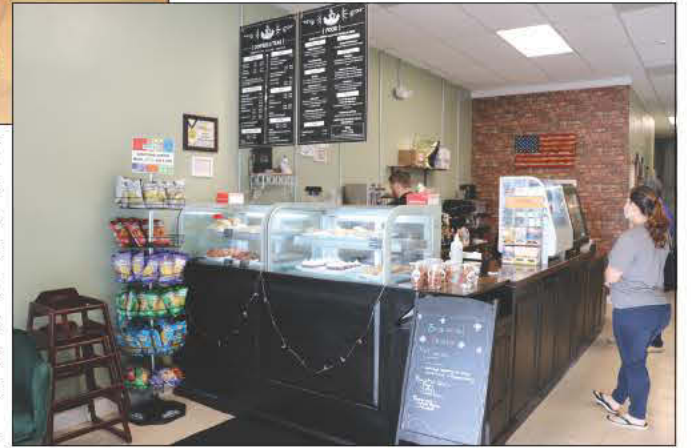

Monday, members of the Chamber held a ribbon cutting for the shop. They have a great selection of cinnamon rolls but have even upped their game on those. They now have a warming oven so you can get a nice warm cinnamon roll every day! They have a

great selection of cake pops that were a favorite of children and adults. Their soup and sandwich combos are some of the best...especially for these cold mornings. Now the ladies have even started their own coffee brew that is a must taste for those coffee lovers. New items to the menu include: wraps, soups, salads, sandwiches (yes, the chicken salad is back!), and a huge variety of special drinks; cold & hot, frappes, teas, lattes and frozen drinks!

Not only do they have a better menu selection, they also have a comfortable and cozy place to sit down and enjoy your meal or dessert! Sweet As Cyn Bakery & Café is located at 450061 SR 200, Ste.

11 (right beside El Dorado Mexican restaurant). They are open Monday - Friday from 7 a.m. - 5:30 p.m. Make sure to check them out on Facebook for specials at: Sweet As Cyn Bakery & Café.

Burglar Caught in the Act

On Friday, November 27, 2020, around 1:30 a.m., Nassau County Sheriff's Office was dispatched to 463155 SR 200 in Yulee (A1A Vapors) in reference to a burglary in progress. When deputies arrived, they observed a glass break to the lower left window of the building. Contact was made with a suspect inside who yelled "I'm unarmed!"

and detained. Upon a search incident to arrest, the suspect was found to have a spring loaded knife concealed in his right front pocket. This type of knife is not a common pocket knife, and allows the blade to be deployed very rapidly, similar, more so than a switchblade. The suspect did not possess a concealed

weapons license during this time in which he was committing a felony criminal offense. The suspect also wore a mask to conceal his identity during the commission of these offenses, in violation of FSS 775.0845, which is a penalty enhancement statute. It should also be noted that the suspect parked his vehicle nearby, offsite, in a manner to allow a quick getaway, and took very deliberate efforts to duct tape his finger tips for the purpose of hindering investigative efforts. The suspect was arrested, transported and booked into the Nassau County Jail on the listed charges. The suspect became very argumentative while being transported to the jail and banged his head on the divider of the vehicle twice. The suspect also tried to make himself

throw up in the backseat of the patrol vehicle but was unsuccessful.

Michael Lee Johnson, 32, from Yulee, was arrested for Burglary, Retail Theft, Use of Weapon during Commission of a Felony, Carrying a Concealed Weapon and Giving False Information to a Law Enforcement Officer during an Investigation.
