Law Enforcement Memorial Service Held

Last Wednesday, a Law Enforcement Memorial Service was held at the Nassau County Law Enforcement Memorial Plaza in Yulee. The service was to Honor Law Enforcement Heroes who have made the supreme sacrifice of giving their lives to protect and serve the citizens of Nassau County. The service was opened by Sheriff Bill Leeper.

"Everyday, public safety officers work tirelessly to protect citizens, enforce laws and keep neighborhoods safe," said Leeper. "We owe a profound debt to all those who have worn the badge and to the families whose care enables them to serve with courage and pride."

Chaplain Gerald Wollitz, NCSO, held the opening prayer. The colors were presented by the NCSO Honor Guard, and Pledge of Allegiance

lead by Major Steve Harris, FHP. The National Anthem was sung by Deputy Christopher Walton, NCSO. There was also a 21 gun salute and the playing of taps. Deputy Johnetta Myers, NCSO, sang Amazing Grace.

Nassau County's Fallen Officers are: NCSO: Deputy Sheriff Joseph W. Robinson, May 16, 1891; Deputy Sheriff Jasper N. Higginbotham, July 21, 1895; Deputy Sheriff Everett E. Johns, September 6, 1905; Deputy Sheriff Jeremiah Mattox, March 18,

1954; Chief Bailiff Lewis Hailey, September 15, 1992; Deputy Sheriff Eric James Oliver, November 22, 2016; Deputy Sheriff Jack Gwynes, February 3, 2021; Fernandina Beach Police Department: Chief James Surrency, December 8, 1930; FHP: Trooper Charles Parks, February 6, 1973; NC Constable: Hilliard Police Constable Alfred H. Crews, November 1, 1952.

Giving Back to Danny... Amazing!

Dawn S. West

Thirteen days ago, we (Westside Journal) started a 'Giving Back to Danny' drive for Danny Murray, owner of Callahan Barbecue, aka The Chicken House. Danny's wife, Kathy, had a stroke and their lives immediately changed. While we posted the article in the paper, we had lots of helpers also posting it on Facebook. Every day that we have been open, we have received donations about every 30 minutes. What a precious experience it was. I'm so thankful to live in these wonderful small towns. Everyone gave from the heart and every dollar was special.

People were so thrilled to be able to 'give back' to someone that has given so much to so many. Each shared a little of their story of why they wanted to give. Danny is one of those people that loves to help people, no matter what. He has been there for all of us for weddings, anniversaries, birthday parties, graduations, etc. He has also provided over and above in our times of sorrow. What better time to give a true love offering to someone that has loved us every time we ask! People showed up and showed out. Many telling me if this is not enough, let them know. He deserves the world! Well said!

Monday we delivered our special love offering to Danny. Currently, he is only

working on Saturdays so we made special arrangements to meet him. Danny and his daughter Carrie came out of his office to see us waiting. We explained what had transpired in the last few days on their behalf. Roger made a special box with the Callahan Barbecue logo on it and we presented it to Danny filled with money, checks and cards. The money was well over \$40,000 and needless to say...he was in disbelief. He quickly said, "How am I going to pay this back?"

With that comment we quickly answered, "You don't. People gave this in love and appreciation for the person you are and have always been. Thank you and our prayers continue for you and your wife."

"I just don't know what to say. This is unbelievable," said Danny. "There is no way I can ever thank everyone for this gift. I am so blessed."

A Rapid Changing of America

Dear Editor,

I wrote a while back, that under President Biden's leadership (or lack thereof), that we would not recognize our beloved country that we have grown to love and enjoy. At that time, my point of view was caused by the POTUS' reckless abandonment of the many Trump initiatives such as the southern border wall and the stoppage of the Keystone XL pipeline, which in both, caused chaos and great financial loss to our own people. Now, new things are coming to light that are very serious and must be dealt with. The Democratic Party is using the pandemic in an attempt to control our lives.

In the majority of states governed by the Democrats, this is woefully the case resulting in a mass exodus of companies and people to Republican led states where this repression does not exist. It is obvious to me, and to many others, that Socialism is at the forefront of the current administration rational. Socialists are fond of saying that socialism has never failed because it has never been tried. But in truth, socialism has failed in every country in which it has been tried according to Lee Edwards PhD, leading historian of American conservatism. He states further that this happened in the Soviet Union over a century ago and to three modern countries: Israel, India and The United Kingdom who all tried it after World War II and ultimately rejected it. Socialism is guilty of a fatal conceit: It believes its system can make better decisions for the people than they can for themselves (sound familiar?).

Kudos to Governor Ron DeSantis for recognizing this and for opening up our state fully, thus causing a huge influx of companies and families to take up residence in our state. One last thought: If we are unable to stem this

devastating and nation-killing tide of Socialism then the flood gates will be open for the ONE WORLD ORDER, which the Bible speaks of in Revelations, where a brazen leader will arise to settle the issues of a world in turmoil. I believe he will come from a middle-eastern country and may already be alive and poised to act. We cannot ignore this but must pray for our country and leaders during these trying times.

Gun Control

Dear Editor,

I want to say thank you for keeping scripture on the front of your paper. It is so refreshing to see in this day and age. Also, I appreciate the honest truth presented in the "Just My Opinion" column. You verbalize what true American's see and feel. Thank you.

If you have room for some more American "opinion" I have written some thoughts that all Americans need to remember.

Why the push for gun control? The answer is simple, tyrants fear armed citizens, as guns are the only thing keeping them from imposing their complete dictatorship upon the people. This is why the second amendment was ingrained into the fabric of our Constitution. Our Founding Fathers saw what tyranny could do and sought to give the people the ability to defend against it. Gun control is not about stopping crime. Look at the cities with the toughest gun control laws, i.e. Chicago, Illinois. They have the highest crime rates and

yet have the toughest gun laws.

Why? Because criminals do not obey the law to begin with! Tougher gun laws only make it easier for criminals (and tyrants) to oppress law-abiding citizens. These restrictive laws are the steps to slavery, something the liberal democrat leaders opposed getting rid of even back during the Civil War era. Now they wish to enslave not only people of color, but everyone they can, and to do so they have to start by removing the means of the people to defend themselves.

This pattern has been repeated throughout history: Hitler, Stalin, Castro...the list goes on. They all first disarmed the people so they could take away their means to protect themselves from the tyranny and censorship that followed. They created situations where they could blame guns for the problem so they could take them away (sound familiar?). As such, only good men with rifles were able to set them free again (thank you to American Military Veterans). So why is gun control such a big issue? Because the rest of your freedoms depend upon it.

Respectfully,
Joseph Hoover

Nice Drive!

Dear Editor,

My daughter and her family settled here 7 years ago, just as construction was beginning on SR200/A1A. I moved to Florida 2 years ago and construction was still ongoing. However, this work is finally nearing an end. On a recent trip home from Fernandina Beach to Callahan, I found myself marveling how well traffic was moving—even during rush hour! Only then did I notice that there were now 3 lanes open to traffic, where there had previously been 2 lanes. And as the days passed, I began to notice additional stretches of highway, from I-95 to Fernandina Beach, being finalized with striping and turn lanes now indicated, and the big orange construction barriers all being removed.

Many times since I moved here from Virginia (and before that, PA), I've said that Florida does a wonderful job building and maintaining their highway system and roadways. The completion on SR200/A1A should be celebrated. It may have taken a long time, but it is a job well done!

P.S. Last I knew, Pages Dairy Road in Yulee has been under construction. We lost a nice shortcut, at least temporarily, but at least they coordinated the Pages Dairy roadwork with the end of SR200/A1A.

WN Senior in ATV Accident

A West Nassau High School senior, Ashlynn Smith, was seriously injured in an ATV accident early Sunday, May 9. According to Florida Highway Patrol reports, at 12:36 a.m. Sunday, May 9 a 20-year-old male, Ethan Whitty and his 18-year-old passenger, Smith, were riding on an ATV on private property near Old Dixie Highway. The ATV struck a fence. The riders were thrown from the ATV. The passenger was

flown to UF Health Gainesville with serious injuries.

Tuesday evening, a prayer vigil was held in Callahan in the Small Town Rags parking lot for Ashlynn, as she remains in serious condition.

HMSHS Wind Ensemble Concert Thursday

Charles Langlois

The Hilliard Middle-Senior High School Wind Ensemble will perform their last concert this Thursday, May 13 at 7 p.m. at the school. The concert is free to the public. Please bring your own chairs or blankets to sit on while enjoying the music. The concert will feature our Superior-Rated Wind Ensemble and introduce our beginning band members for next year.

If you have never heard the band perform, you do not know what you are missing. They constantly receive Superior Ratings due to the quality of sound they produce and their excellent musicianship. You may even wonder where the other musicians are hiding when you hear them play. Under the excellent direction and leadership of Band Director Bill Hazlett, who has a knack for picking pieces of music that fit the band's makeup, the sounds are phenomenal and will rival or exceed the quality of even a larger group. Don't take my word for it! Come and experience it for yourself this Thursday at 7 p.m.

JUST MY OPINION

Roger R. West

First let me say this, we all are blessed beyond measure to live in such a wonderful community. The community I reference is the entire west side of Nassau County. The outpouring of support for Danny and Kathy Murray is beyond amazing! Dawn has heard dozens and dozens of stories from people donating money as to why Danny Murray means so much to them. Many of the stories came from when Callahan Barbecue was located in the tiny building where Walgreen's now sits. We all could take some lessons from Danny as how to treat people.

Unfortunately, just the opposite is the rule of the day in Washington D.C. After experiencing such a positive and uplifting week, I cannot make myself read and write about the atrocities that are plaguing our nation today. Instead I decided to share some lines from different social media outlets.

1.) Sorry if my Patriotism offends you, trust me your lack of spine offends me more.

2.) People were created to be loved; things were created to be used. The reason why the world is in chaos is because things are being loved and people are being used.

3.) The United States is 3rd in murders throughout the world. If you removed #1 Chicago #2 Detroit #3 Washington D.C. #4 St. Louis #5 New Orleans, the United States is then 189th out of 193 countries in the entire world. All 5 cities have strict gun control laws and are run by Democrats.

4.) The American Soldier: Most Valuable Player of The Year

5.) "I am the way and the truth and the life, no one comes to the Father except through me." John 14:6

6.) Now entering Texas, you may encounter American Flags, armed citizens, the Lord's Prayer and country music. If any of this offends you then Go Home!

7.) I do not fear death nearly as much as I fear losing my freedom

8.) The world needs more tackle boxes and less Xboxes

9.) "We are forever indebted to those who have given their lives that we might be free." R. Reagan

10.) God will never leave you during the storm, but He may use the storm to remind you of how much you need Him, just in case you've forgotten

11.) Shut down the media for 30 days. Watch how fast over 90% of our problems instantly vanish.

12.) I am so old that when I was a kid, we actually had to win to get a trophy!

13.) Name a single time in history when the group fighting to censor speech and ban books were the good guys.

14.) Why don't the 99% of us who aren't offended by everything quit catering to the 1% who are?

15.) "Covid has taken this year, just since the outbreak, has taken more than 100 years. Look...the lives, it's just... when you think about it, more lives this year than any other year for the past hundred years," Joe Biden (??)

As always...that's just my opinion!

Light Of The World

Pastor Arlie Johns, Hilliard First Assembly of God

A few years ago, when Donna and I had the privilege to visit the Holy Lands, our tour bus stopped along the Northern Shore of the Sea of Galilee. They led us up on the side of the hill to a place that they claim was the place that Jesus sat down with the crowds, and shared the "Beatitudes." While we were sitting there we took time to read through that passage. Matthew 5:3-12, "Blessed are the poor in spirit, for theirs is the kingdom of heaven. Blessed are those who mourn, for they will be comforted. Blessed are the meek, for they will inherit the earth. Blessed are those who hunger and thirst for righteousness, for they will be filled. Blessed are the merciful, for they will be shown mercy. Blessed are the pure in heart, for they will see God. Blessed are the peacemakers, for they will be called sons of God. Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you."

As different ones from the group took turns reading through this passage, I was soaking up all my eyes could see of the landscape before me. The Sea of Galilee was just down the hill below me and only a short distance away was the town of Capernaum where Jesus had healed Peter's mother-in-law. Capernaum was the same place that Jesus healed all who were sick.

As that moment continued, different Bible Stories that I had heard or read throughout the years were starting to come alive in my mind. It was an amazing day. But then there was one thing more that really jumped out at me as I sat there day dreaming. Off to my right about halfway down the coastline was the city of Tiberias. Tiberias looked to be the largest city along the coast of the Sea of Galilee. It reached from the sea all the way up to a large mountain range.

In the same chapter (Matthew 5) of the Beatitudes Jesus spoke about a city on a hill. I thought for sure when I saw this city, that it must be the City that Jesus was speaking about when he said we are to be the light of the World. (Matthew 5:14), Jesus said, "A city on a hill cannot be hidden, neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in Heaven."

As I close out this thought today, I want those of you who claim to be Christians to know that you represent Jesus. You are the light of the world. The way you live your life before others should be a clear reflection of how a Christian should live. Jesus gave the beatitudes to us so that we would have a pattern to live our life by. Also, don't forget what Jesus said in Luke 10:27, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, "Love your neighbor as yourself."

If you can follow these instructions for living your life, you will be the Light of The World. God bless you! And may you have a Jesus filled week!

Constitution Bowl to be Livestreamed

Amelia Island TV and the U.S. Constitution Scholarship Foundation have agreed to livestream the U.S. Constitution Bowl which will be held at Yulee High School on Monday, May 17 at 6:30 p.m. This year's competition will have an in-person audience limited to 200 spectators. The livestream will be available to everyone, free-of-charge on Amelia Island TV's YouTube channel and Facebook Live.

The Constitution Bowl, which is Nassau County's Academic Super Bowl, is modeled after the GE College Bowl and showcases the intelligence and talent of our Nassau County high school students. There will be 5 teams comprised of four players each representing the four high schools and the home-educated community. West Nassau High School's team, coached by Caleb Bryan, was the winner of the 2019 Constitution Bowl; and Fernandina Beach High School's team finished 2nd. Superintendent of Nassau County Schools Dr. Kathy Burns summarized the last competition with a note to the USCSF Board that read,

"What an outstanding event. Thank you for your vision and the execution of that vision. The evening was beyond our expectations, great crowd, great students and challenging competition."

The competition consists of two rounds. The first round involving all the teams will be approximately 30 minutes. Then the 20 minute second round squares off the 2 top-scoring teams of the first round. If the teams are tied after the 2nd round, there will be a sudden death playoff. Bradley Bean will repeat his role as moderator of the contest.

The members of the winning team each receive a \$1,000 scholarship and the 2nd place team members each receive a \$250 scholarship. The winning school will hold the U.S. Constitution Bowl trophy.

Sign up to receive email reminders for when and how to view the U.S. Constitution Bowl and learn more about the U.S. Constitution Scholarship Foundation at their website: <https://www.uscsf.net>.

The Importance of Mammograms...

Meet Tammy Holland

Dawn S. West

Tammy Holland was just a normal young woman living her life. It came the time in her life that she should start doing mammograms. In 2002, she made her first mammogram appointment and went. Well, rather than getting a letter of the report, she received a call from the doctor advising her that something looked a little odd but they really wanted to wait another six months and do another mammogram. Of course, this was her first mammogram and she was shocked, but not too troubled, as the doctor didn't seem to be.

She went back in six months and had another one. Yep, it was cancer, but it was very deep and not detected by a breast exam. A biopsy was done and she was diagnosed with progesterone estrogen fed breast cancer.

Tammy had a lumpectomy in October, where they took the lump and some lymph nodes. "They actually removed four lymph nodes and thankfully only two had cancer cells," said Tammy. "I was living in Atlanta at the time and working a fulltime job. I was also told the cancer was aggressive and they would be treating it aggressively."

Aggressive meant, four chemotherapy treatments, one each month: November, December, January and February. Tammy recalls being nauseated but never being sick, which she is thankful for, however she lost all her hair after the first treatment. She never missed a day at work and her job and co-workers were so helpful. "We had a clinic at work and the nurse kept a cot just for me," added Tammy. "There were times I just was so weak and tired. But I kept going. I'm thankful that I was working with some great co-workers that really helped me out."

Following chemo, radiation therapy started in March for six weeks, 5 days a week. The radiation treatments were short but as time went on they really began to burn. Today, Tammy still feels the burning sensation under her arm.

"Cancer is always scary! Hearing the 'C' word is bad and scary and that's why I think the best advice I can give is to always take a loved one with you to the doctor appointments. It's always good to have two sets of ears to hear," continued Tammy. "Many times I thought they said one thing and it wasn't right. Chemo and radiation have so many side effects and it's good to try to know all of them. If someone is with you to hear, it does help."

Tammy is here today, 19 years later, cancer free! Who knows what would have happened had she not returned 6 months later to have another mammogram. Tammy gives all the glory to the Lord that gave her the strength to beat this monster. "I think back to my mother, who was blind. Mom was diagnosed with breast cancer and she beat it," said Tammy. "I asked the Lord to please help me to be brave like my mother was and He did. She was healed. I'm so thankful I went back to have the second mammogram."

I, like Tammy, encourage you ladies that have never had a mammogram to go get one. Trust Tammy, a mammogram is a lot easier than having chemotherapy.

The West Nassau Relay for Life event will be held Saturday, May 22 from 4-10 p.m. at the NE FL Fairgrounds. There will be many teams selling items along with several vendors and lots of food and fun all benefitting the American Cancer Society. For more information, call 904-294-2088.

Wake Up or Lose Your Freedom

Submitted by a Freedom-Loving American Patriot

I am so thankful for a Governor who supports our liberties. On Monday, May 3, Florida Gov. Ron DeSantis issued an executive order immediately suspending COVID-19 emergency orders put in place by counties and cities. He stated that he doesn't consider the state to be in a crisis anymore with vaccine now in ample supply.

So, why do we have local businesses telling people to leave unless they wear a mask? On Friday, I was told to leave a financial institution unless I put on a mask. I refused to don one due to medical reasons. I was then told to use the drive thru. I suggested I close my account. I was informed, "Fine, but you need to do that in the drive thru." Really? What has happened to customer service? Does the impending QFS system have anything to do with why certain financial institutions have lost their minds and are treating customers like I was treated? They have MY money, not the other way around.

The problem is that the folks working in these businesses are our family, friends and neighbors and we love them. They are in a really bad spot. They are being forced to wear a mask all day and make people leave a place of business. They need a job, they have bills to pay.

So what is the solution? It will be different for everyone. I think we should contact the "corporate" folks who are not in the public and hearing our voices. So what did I do? I chose to go and open an account at another financial institution immediately. This place did not have the face diaper requirement posted on the door. I went in and instead of seeing the cloth petri dish on people's faces...I saw smiles and facial expressions! You know...those things that bind us together as humans. If you do not push back to the woke CORPORATE offices and DEMAND change...they will continue to control us.

There is science that shows masks do NOT work. In fact, I emailed one of the corporate offices of a business that MANDATES the "face diaper" and gave them the science. I want to post the reply that I got. The way I read it is that the "face diaper" is helping those who are living in fear to feel safe...and those of us who want to breathe air will have to give up our rights to make those fearful ones feel safe. Their reply to my email: "We understand that some local authorities are lifting governmental mask mandates. At 'XX' (the business), we want all customers and 'XX' workers to feel that we are doing our part to help them feel as safe and comfortable as possible anytime they enter 'XX', and we continue to see our mask requirement as an important part of that."

I decided not to name any businesses and we should not attack the friends and neighbors who work there. I am advocating we communicate clearly and succinctly to "Corporate" what WE THE PEOPLE prefer. Of course, that is just my opinion.

National Day of Prayer Service Held

Dawn S. West

Last Thursday evening, Ewing Park in Callahan was filled with youth playing basketball, children riding their bikes around the track and the sound of gospel music, performed by the Citywide Male Chorus, filled the air. Several local pastors were represented and many took part in the special service.

The National Day of Prayer Service was opened in prayer by resident and business owner Paul Schwend. The West Nassau JAFROTC presented the colors as the crowd recited the Pledge of Allegiance, followed by Max Carter beautifully singing the National Anthem acapella.

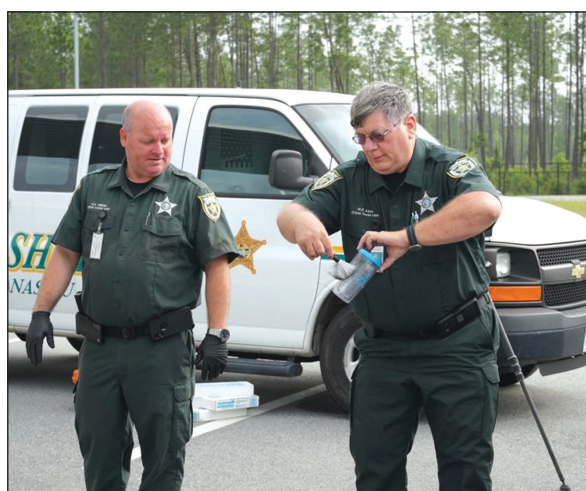

Following, several people prayed for specific things: Dr. Malachi Clowers, Scripture Reading; Tanner Lacross prayed for Youth and Children; Bishop Thomas

Blue prayed for Government Leaders; Tim Beazley prayed for Military and families; Pastor Marty Paparo prayed for Morality of our Nation; Raymond Fachko prayed for our Business Community; Pastor Walter Cooper, Jr. prayed for Economic Prosperity; Pastor Jon Egan prayed for Church Growth and Strength of our Churches; Pastor Gerald Wollitz prayed for School Administration, Teachers and Staff; Pastor Dan Search prayed for our Students; and Pastor Dwight Allen closed the service with prayer. The Citywide Male Chorus sang a few songs in the middle of the service that brought everyone together. The service was closed with the singing of God Bless America by everyone attending.

If you missed the service, you missed a true blessing. We are so blessed to live in our small towns and to be allowed to come together and praise Jesus! I'm so thankful for the many people that attended and praying that we can do this more often than just one time a year. Thank you also to those that took the time to put the service together, it was a blessing! If there is one thing we all need, it's prayer!

Thompson Chosen as School Lunch Hero Finalist

Kay Thompson has been a lunch superhero from day one! For much of the year she has been a one-woman show at breakfast. Always arriving before the sun is up to slice, peel, dice, and bag items to ensure the kids are fed a nutritious meal. Kay has always been creative when utilizing her excess inventory. She has great foodservice knowledge and knows how to make decisions when switching menu items. This has been huge while feeding during Covid with so many substitutions. Speaking of Covid, Kay has run one of Nassau County's five curbside sites since last March! She has been amazing from the beginning packing freezer, cooler, and dry bags for the community and doing the mound of paperwork that goes along with it.

To this date she has served 29,988 meals! Special events are her favorite and it shows. During National School Breakfast Week, she went over the top and had the kids shooting hoops in the cafeteria if they ate breakfast. This increased her participation by 31%! She also throws amazing pizza parties at the end of the year for the kids. Kay's best attribute is her ability to show up. Her attendance is impeccable and as we all know that is one of the most

important aspects of school nutrition. Kay exemplifies what it means to be a School Nutrition Hero and we are proud to have her as part of our Nassau County team.

Kay Thompson, of Bryceville Elementary School, has been selected as a 2021 School Lunch Hero finalist. As a finalist she received: a \$2,000 cash prize from No Kid Hungry; a Tampa Bay Buccaneers Prize Pack from the Dairy Council of Florida; a School Lunch Hero Trophy; a Certificate of Appreciation signed by Nikki Fried, Florida Commissioner of Agriculture; and a One-on-One Chef Experience.

Chamber Launches New Job Board & Resume Writing Service

The Nassau County Chamber of Commerce has recently launched a new Job Board, making it easier than ever for employers and prospective candidates to connect with each other. The Job Board allows Chamber members to post available positions for free; non-members may also post available positions for a small fee. Employers have enough to worry about; finding qualified applicants for available positions should not be one of them. When the Quick Apply option is activated for a posting, employers will be automatically notified when a candidate applies, as well as have access to a running list of all applicants for each position.

For job seekers, the job board is a fast, reliable way to apply to various opportunities with local businesses and organizations. This is not a third-party careers page or a cumbersome experience for applicants. With the Quick Apply option, job seekers can fill out their personal information and upload a resume in minutes. Applicants also have

the option to add their resume to the Resume Bank, providing the job seeker with unprecedented exposure to all local employers, rather than just being seen by one or two businesses. Those looking for flexible schedules or part-time positions are encouraged to place their availability on the resume.

For the first time ever, the Nassau County Chamber of Commerce is offering a free resume writing service, available to Nassau County residents. Once basic information is provided, Chamber staff will create a professional resume, free of charge. Your resume will be sent back by the end of the day in both Word and PDF formats. To get started, simply contact the Chamber of Commerce staff at info@NassauCountyFLChamber.com or call (904) 261-3248.

Whether you are an employer or a job seeker, it has never been easier to find your next great employment opportunity. For more information, visit www.NassauCountyFLChamber.com.

PETER BOADO

Peter Boado, proud father of four, passed away unexpectedly Monday, May 10, 2021, after losing his battle with stage 4 lung cancer at the age of 63.

He was diagnosed back in November of 2020. Peter was born in Agoo, La Union on January 31, 1958 to Pedro Boado, Sr. and Marcelina Domondon. He graduated high school from Saint Mary's Academy in Agoo, La Union, Philippines. Peter worked for Wal-Mart for 15 years as a produce stocker. He also worked as a Dietary Cook for a Nursing Home in California. Peter was a loving husband, father, son, uncle, grandfather, and a hardworking man. He enjoyed singing karaoke with his friends, cooking his favorite Filipino dishes and loved to spend time with his family! He will be deeply missed by his family, friends, and all who knew him.

Peter is survived by his wife, Angelita Boado (Dungan); his children, Chrismalyn Boado-Dowling, Cherry-Lyn Boado-Chieves, Jeffrey Boado, Maricel Boado; 13 grandchildren, Reylhan Boado, Charisse Boado, Britney Dowling, Mica Boado, Ylliana Miagao, Maya Boado, Elisha Dowling, Cheyenne Dowling, Jeffrey N.

OBITUARIES

Boado, Mahliya Reeder, Jeremiah Reeder, Leroyal Chieves, Jr., Laurel Lei Chieves; and siblings; Cleofe Boado-Lucas, Erlinda Boado-Serna, Dionisio Boado.

A celebration of Peter's life will be held on Friday, May 14 at 11 a.m. at Nassau Funeral Home with Reverend Rafael Lavilla officiating. The family will receive friends on Thursday, May 13 from 5-7 p.m. also at the funeral home. Flowers and donations are welcome.

Arrangements by Nassau Funeral Home, Callahan, 904-879-1770.

Visit www.nassaufh.com to sign the family's guest book.

MARY LOUISE BOMGARDNER

Mary Louise Bomgardner, 83, of Callahan, passed away on Saturday, May 1, 2021, in her home surrounded by family. She was born in

Lockport, New York, on October 6, 1937 to her parents Frederick and Viola Quandt. Following graduation from high school, she joined the US Navy for short time, and later moved to Jacksonville. She married the love of her life Dean Bomgardner. She became a housewife, mother of two sons and a great cook. She used this gift of cooking to serve others. She is preceded in death by her parents.

She is survived by her loving husband of nearly 60 years, Dean C. Bomgardner; her sons Frederick 'Gus' (Mary) Bomgardner of Callahan and Tim (Patti) Bomgardner; grandson James (Jessica) Cochran; and great-grandson J.R. Cochran; and several cousins.

Her family received friends prior to the funeral service held Wednesday, May 5 at Callahan First Baptist Church. She was laid to rest at Greenlawn Cemetery.

The family requests donations, in her name, to either the Callahan First Baptist Church's Store House Building Fund or Community Hospice of Nassau County.

KELEE NICOLE KELLY

KeLee Nicole (Nikki) Kelly went home to be with Jesus her Savior on Monday, April 19, 2021 after a lengthy illness. She is seeing her daddy, Jack Kelly, once again. Nikki was born March 23, 1971. She was only 50 years old but had accomplished much in her life. She was a graduate of West Nassau High School class

of 1989. She graduated from Lee College in 1996 with a BA and began her 22 year teaching career. Nikki came back to teach at Callahan Middle School and specialized in ESE classes. She loved her students and always encouraged them to reach for the stars.

In college, she traveled to over 45 states singing with the Ladies of Lee Woman's Choir. She was a missionary and lived in Ketchikan, Alaska; Molokai, Hawaii, short term missions in Amsterdam, El Salvador and the Bahamas. Her last missionary assignment was on the Indian Reservation in Lower Brûlé, South Dakota. She always had a love for the Native Americans. Nikki was known for her beautiful smile, her singing, her love for others, her giving heart and always helping the less fortunate. Nikki we miss that beautiful smile and zest for life. You have touched us all.

Nikki will be dearly missed by her mother Marilan Kelly who stayed by her side through six months of hospitalizations and rehabilitation centers; her sisters Beth Ann (Nathan) Meade and baby sister Katie (John) Frame; her nephews Kinzer Kelly and Venture Frame; and niece Izabella Frame; nephews Ernest, Dominick, Noah and Landon Frame; and many aunts, uncles, cousins, former students, classmates and friends.

Services were held April 26 at Evangel Temple Assembly of God, Jacksonville, with Reverend Rick Doghtery officiating.

GLYNN CASWELL LONG

Glynn Caswell Long, 90, of Callahan, passed away on May 9, 2021 at St. Vincent's Hospice following an extended illness.

He was born in Nassau County on October 30, 1930 to Cecil Long and Nellie Higginbotham Long. Mr. Long served in the US Army during the Korean Conflict; retired as Principal from Callahan Elementary School; and was a member of the First United Methodist Church in Callahan.

In addition to his parents, he was preceded in death by a brother Stanley Long; and two stepsisters Blondeon Musslewhite and Melvene McDonald.

Survivors include his wife of 67 years, Dolores Deen Long; one son Ferrell Long; and a stepsister Clarice Trawick, all of Callahan.

A memorial service was held Wednesday, May 12 at the First United Methodist Church in Callahan. Following the memorial, the family received friends at Crosby Funeral Home in Alma, Georgia. A graveside service followed at Springfield Cemetery with Dr. Larry Gillespie and Pastor Daniel Search officiating.

Active pallbearers were Dr. Michael Deen, Dr. Roy Deen, Bradford Deen, Jeffrey Deen, Johnathan Deen and Terry Douglas.

In lieu of flowers, the family requests donations to: Springfield/Altman Cemetery Fund, c/o Marvin Deen, 126 Candlewood Dr., Alma, GA 31510, or call 912-381-7712.

Crosby Funeral Home was in charge of arrangements.

Businesses Needed for Reverse Job Fair next Wednesday

On Wednesday, May 19 from 9 a.m. to 2 p.m., Nassau County School District will host its Reverse Job Fair. In past years, this event has proven to be the most effective way for high school students to find both part time and post-graduation employment and for Nassau County employers to find talent.

This year the event will use a modified format to accommodate for capacity restrictions. The district will host hiring managers at the Lewis "Red" Bean Nassau Technical Career Center on the FSCJ campus in Yulee. Employers will participate on interview panels and will connect with students virtually. Students will interview virtually from their high school campuses and will receive resume and interview prep

through their career education classes.

Please consider participating and register using the link below. Breakfast and lunch will be provided, and the event will conclude no later than 2 p.m. We will likely conclude well in advance of 2 p.m., but please be available for the full time so that all students have the same opportunity. You will be provided with copies of the students' resumes at the events, and we will assist you to schedule follow-up interviews if you so desire.

Please register by Friday, May 14 so that we may plan for seating and meals. To participate, employers should register as soon as possible at the event website, www.nassaureversejobfair.com.

Farmers Market in Hilliard Saturday

Gabe Whittenburg, Director,
Hilliard Parks & Recreation

Greetings from Hilliard Parks & Recreation! Can you believe summer is almost upon us? As you prepare for summer, I hope you will consider what we have going on here at HP&R.

One new exciting event I am happy to announce is we are hosting a FARMERS MARKET this Saturday, May 15 from 9 a.m. – 1 p.m., in the annex parking lot at 37516 Oxford Street. Local farmers, bakers and makers will be on site to show off their green thumbs and creativity for you to purchase and enjoy. We hope you will come out and enjoy a day with us!

Also in May, will be our pool opening. Starting Memorial Day weekend, our pool will be available for you to enjoy. Our Splash Pad, adjacent to the pool, is also here for you if you have younger children that would like to escape from the heat. I have to tell you, with the weather starting to warm up recently, I was tempted to test it out to beat the heat myself! I hope you will come and see us to do the same!

Along with the pool opening, we also have youth sports available to keep your child busy this summer. First, we

are in the middle of our flag football sign-ups. We have scheduled our flag football to avoid conflicts with tackle football which will allow for your child to participate in both sports. We are also in the middle of our youth swim team sign-ups. We hope you will consider us for both programs.

On the horizon, are our youth sports camps. We are planning our Youth Football Camp June 14-17. Additionally, we have Volleyball and Basketball camps July 12-15 and July 26-29 respectively. The camp cost is \$50 per child and will include a camp t-shirt.

Lastly, I am calling on all who may be interested in dodgeball to join us for the Rusty Wrench Dodgeball Tournament. We are in dire need of teams, so much that I may offer myself up for target practice to entice you to join us! What a great opportunity to let off a little stress. As always, it is a great day at Hilliard Parks & Recreation!
