"MY CHILD, DON'T LOSE SIGHT OF COMMON SENSE AND DISCERNMENT. HANG ON TO THEM, FOR THEY WILL REFRESH YOUR SOUL. THEY ARE LIKE JEWELS ON A NECKLACE." - PROVERBS 3:21-22

WESTSIDE JOURNAL PRESENTS THE

CLASS OF 2020

Unprecedented Times
make
Etroordinary People

Your 2019-2020 school year... Your last school year. You knew in August that this year would be like no other. Classes, ball games, pictures, friends, laughs, walking the halls... you were soaking it all in. Along came March 2020, spring break. Your spring break started out like all others, only this would be your last one! Little did you know that when you left school on March 12, you wouldn't return. The world changed. A virus surfaced and spread worldwide. COVID-19 rapidly evolved and changed our way of living. Your spring break was extended and eventually, schools were closed. Everything was closed. Your teachers scrambled to finish the school year virtually and your parents questioned what each new day would hold.

Much like everything else in the country, testing was canceled. Sports, concerts and events disappeared from your schedules, just as fast as the toilet paper, meat, bread and milk did from store shelves. We social distanced, stayed home, ate as families at home, used technology to complete school work, virtual meetings and to keep in touch with loved ones. YOU finished! YOU pushed through trying times, unprecedented times. YOU graduated! As you navigate through these unusual times, just look back on what you've already overcome. You made it through and we have all faith in you as you embark on the next journey in your life. Whatever it may be, know that you're a survivor and only YOU can make all of your dreams come true.

# BRADIFEY BLOCHER

Bradley was born in 2001, a changing time in America (9-11) and will graduate in 2020, a changing time in the world. It is evident these seniors have a unique opportunity to embrace future challenges life will bring them. While in high school, Bradley has almost completed his AA Degree, while maintaining a 4.8 GPA. He plans to continue completing his Bachelor's Degree in Biomedical Science. He will later attend the University of Florida for med school. His dedication and commitment are most admirable.

In his downtime, Bradley enjoys spending time outdoors hunting, fishing and watching the Georgia Bulldogs! However, the most valuable decision Bradley made was to accept Jesus Christ as his personal Savior. We know that decision alone will carry him through life. He has demonstrated his love for Jesus by preaching to a variety of churches, youth, nursing homes and door to door visitation spreading the gospel.

The world needs you, Bradley and more like you! We love you and are honored to share life with you!

Love from your biggest fans, Your family
