EAGLE RIVER, ALASKA

General Tone and Conditioning for Beginners.

Begin every workout with 10 minutes of cardio of your choice. Please go at your own pace and listen to your body. Select a weight that makes the last repetition of each exercise challenging but does not cause you to lose form.

Always lift, push, pull and rotate in a smooth fashion. Do not jerk, throw or drop the weight. Maintain control throughout the full range of motion.

1. Cardio warm up/ 10-minutes
2. Leg Press machine/ 2 sets 10 reps
3. Row Machine 2x10
4. Glute Machine 2x10
