*Where Dreams And Ponies Meet*

## PARENTS RESPONSIBILITIES TO ENSURE A SAFE AND FUN EXPERIENCE

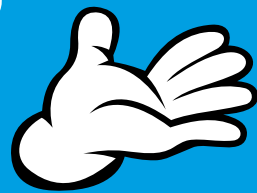

### 1. 3 FOOT RULE

Keep children 3 feet away from the pony unless you have support from one of our experienced Pony Handlers.

### 2. FINGERS ARE FOOD

Ponies can sometimes mistake fingers as food. Please keep hands and fingers away from the ponies nose at all times.

### 3. 1 AT A TIME

Your Pony Party Handler will help each child one at a time to groom and love on the pony. Please assist us by keeping other children occupied.

### 4. USE OUR FUN KITS

Please use our Fun Kits, complete with age-appropriate activities, to keep other children occupied to support #1-3.

### 5. SEND US PICS!

We'd love to use your precious pictured for our website and other materials. Please send us those you are happy for us to use.
