

Attention Citizens of Brundidge and Surrounding Areas!!!

The City of Brundidge Office will close at 3:00 P.M.
due to the weather impending.

As we all prepare for the heavy rain and damaging winds that expected to be heading our way, please be safe and vigilant as we ride out this storm.

There is a possibility that there may be power outages during this storm, so please be patient as our Electric Department will be available to ensure that power is restored as quickly as possible.

Please take safety precautions such as:

1. Have your cellphones fully charged and in case of an emergency dial 911
2. Have flashlights, lanterns, and candles in close proximity and in working order,
3. Have bottled water and non-perishable items on hand,
4. And for residents who use electrical pumps as their water supply, please fill your tubs

Of course, we pray for everyone's safety during this storm, and we pray that you are PREPARED!!!
