

## PUBLIC MEETING NOTICE

The City of Brundidge will hold a Public Meeting at 6:00 p.m., Tuesday, February 20, 2024, in the Council Chambers of the Brundidge City Hall, 200 North Main Street, to discuss two projects funded under the American Recovery Plan Act. These projects are: 1) The City of Brundidge 2022 Sewer Infrastructure Improvements Project, which includes improvements to three system pump stations and to the Wastewater Treatment Plant; and 2) The City of Brundidge 2022 Water Main Replacements Project, which entails new water mains on Oak Street, Reynolds Street, Fleming Street, and part of Dickert Circle.

An Environmental Information Document (EID) has been prepared for both the Sewer Infrastructure Improvements Project and the Water Main Replacement Project, containing information on each project including costs, environmental impacts, and agency review comments. Each EID is available for review by the public in the Council Chambers of the City Hall, Monday through Friday, during normal business hours through the time of the Public Meeting.

Willie Wright, City Manager
