

RESOLUTION NO. 2023-13

WHEREAS, Verizon has requested to modify an existing wireless telecommunication facility located at Veterans Drive, Brundidge, AL to provide wireless services essentially within the corporate limits and police jurisdiction of the City of Brundidge; and

WHEREAS, Verizon has complied with City's Ordinance No. 2021-01 and has demonstrated the need for this wireless facility to deliver consistently reliable services in the identified area; and

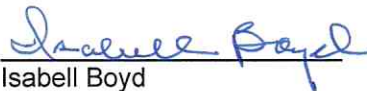

WHEREAS, both the City and Verizon customers in Brundidge will benefit from improved service; and

WHEREAS, the City's consultant, The Center for Municipal Solutions (CMS), recommends the granting of a Special Use Permit for modification of this telecommunication facility located at Veterans Drive, Brundidge, AL, which consists of a 150' monopole tower,

THEREFORE, BE IT RESOLVED by the City Council of the City of Brundidge, AL, that Verizon is hereby granted a Special Use Permit to modify the existing the telecommunication facility at Veterans Drive, Brundidge, AL. As recommended by CMS, the Special Use Permit is subject to compliance with the following conditions prior to the issuance of said Building Permit and/or a Certificate of Completion:

1. To prevent warehousing of permits or authorizations and to assure the best service to the City's residents as expeditiously as possible, the facility must be built, activated, and be providing service no later than one hundred eighty (180) days after the issuance of the Special Use Permit or other applicable authorization, subject to commonly accepted *force majeure* exceptions acceptable to the City. Verizon may petition the City for an extension of this for good cause shown, but the decision whether or not to grant the extension shall exclusively be the prerogative of the City.
2. Verizon shall provide contractor information to CMS and City prior to request for issuance of Business License.
3. Once Verizon Wireless has met all the conditions of the permit and any other requirements of the City, Verizon must notify the City's consultant prior to the start of construction and for all required inspections.
4. At the completion of construction, Verizon must notify the City's consultant and provide proof that all inspections have been satisfactorily completed and the project is ready for a final on-site inspection. Upon passing the final inspection, a recommendation to issue a Certificate of Completion shall be made.
5. Verizon Wireless shall not be permitted to provide service commercially until the Certificate of Completion or its functional equivalent is issued or risk forfeiting its Permit.
6. The Certificate of Completion shall not be issued until all fees and costs associated with this Permit, including inspections, have been paid.
7. The provision of the Certificate of Completion for this work shall be a pre-condition for any future modifications of any kind by this carrier, at this facility.

ADOPTED and APPROVED this 16th day of May, 2023.
