

2025 ELECTION WRAP-UP

NOVEMBER 14, 2025

HUNTERDON COUNTY DEMOCRATIC COMMITTEE

Dear Interim Chair Kovach, Officers and Members of the Executive Committee,

I am pleased to provide a favorable report on our General Election results on behalf of the Hunterdon County Democratic Committee's Campaign Committee.

This election cycle saw extraordinary growth in voter turnout in Hunterdon County, as well as a 14-point swing to the left compared to the 2021 Gubernatorial Election. It says a lot about the hard work our volunteers put into grassroots campaign efforts that Jack Ciaterrelli, who once represented portions of this great county, could hardly net more than 4,000 votes out of Hunterdon this year.

The following support was offered to all of our candidates: (1) campaign training (2) professional headshots (3) targeted mail pieces (4) text-banking (5) phone-banking (6) professional campaign staff and (7) unprecedented amount of financial support for our local candidates and parties through the submission of campaign plans and budget requests.

Through support for our local down ballot candidates, we were able to drive turnout that supported our top of the ticket races. All legislative districts received equal support in the form of county-wide primary election and general election mail pieces. We also worked with Victory NJ on coordinated

canvassing that included walk pieces that had our Gubernatorial candidate, our legislative candidates, our county commissioner candidates, and local candidates' names on the literature at no cost to our candidates.

I'm pleased to congratulate HCDC's Campaign Manager, Audrey Collins, who was charged with an unprecedented task of supporting all local campaigns by providing expertise on targeting voters. All of the HCDC Executive Committee and party leadership are proud to attest that Audrey's experience and familiarity with Hunterdon County were an extreme benefit to our organization, allowing us to provide our local candidates with a professional operation who could tailor fit our resources to their needs.

These services saw us flip local seats and shift from Republican to Democratic control, and I am excited to see our momentum grow as we approach our next pivotal goal: working to flip the 7th Congressional District blue.

Yours In Service,

Mikie Sherrill celebrates win in NJ governor's race, as supporters cheer: 'Blue is back!'

What an incredible 2025 election season! Your hard work delivered real results. According to unofficial returns, Democrats flipped 5 (possibly 6!) local seats and re-elected all of our fantastic incumbents. This is a testament to the teamwork, dedication, energy, and commitment by all of us in the HCDC to get Democrats elected!

From county committee members to volunteers, you showed up and got it done. Between meetings, phone banks, and canvass launches, our new HQ was buzzing with energy! The 2025 strategy of investing in our local races to create a blue tide that raises all ships was quite successful.

EXECUTIVE SUMMARY OF “HCDC 2025 ELECTION WRAP-UP”

The Hunterdon County Democratic Committee (HCDC) 2025 Year in Review highlights a landmark year of growth, organization, and success. Through strategic investment in local races, advanced voter engagement tools, and extensive candidate training, Democrats achieved record-breaking results across Hunterdon County.

Overall voter turnout surged to 62% (an 18-point increase from 2021) and Democrats led in the total advanced vote (Vote by mail plus early voting), contributing to a 14-point swing toward Democratic candidates.

HCDC flipped six municipal seats and re-elected all incumbents, underscoring the effectiveness of its grassroots organizing and data-driven campaign strategy.

The organization also modernized its outreach through targeted mailings, over 25,000 personalized voter contacts, and a countywide voter information guide.

Financially, HCDC exceeded its \$100,000 campaign investment goal, raising \$283,000 overall and increasing campaign spending by more than 50% over goal.

Community events, fundraisers, and professional support from campaign staff strengthened the party’s presence and morale. With statewide recognition and praise from partner organizations, HCDC concluded 2025 as a model for effective Democratic leadership, poised to build on its momentum heading into the 2026 election cycle.

HIGHER VOTER TURNOUT IN HUNTERDON

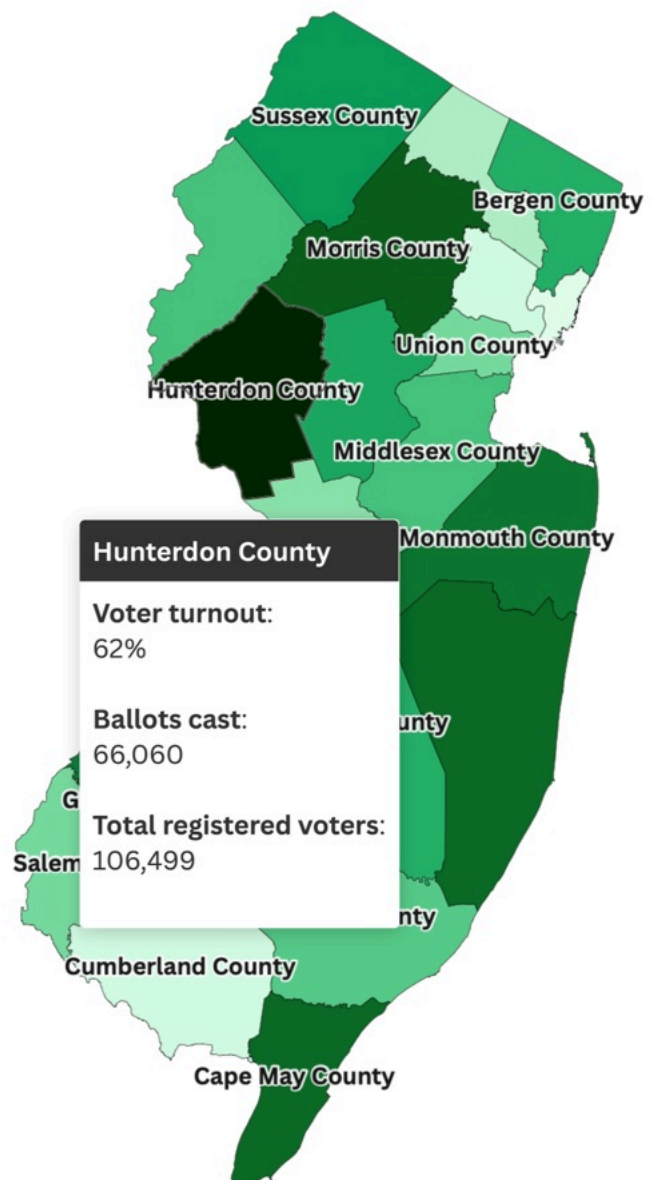

New Jersey's 2025 governor's race saw about 50% of registered voters cast a ballot

Turnout was highest in Hunterdon County, at 62%. Hudson County had the lowest, at 40% turnout.

Hunterdon County Democrats continue to maintain its historical trend as one of the State's top Vote By Mail returners. In the 2025 General Election, Hunterdon County was once again reported as having the highest Democratic VBM returns in the entire state.

This return rate, combined with early voting, set Hunterdon County apart with the highest turnout in the state, with 62 percent of all registered voters casting their ballot. This is an incredible 18-point surge from the last Governor's race in 2021.

Thanks to your calls, texts, and reminders, every vote truly counted.

HIGHER VOTER TURNOUT IN HUNTERDON (CONTINUED)

A Historic Shift

Hunterdon Democrats won the advance vote (VBM + early voting), entering Election Day with:

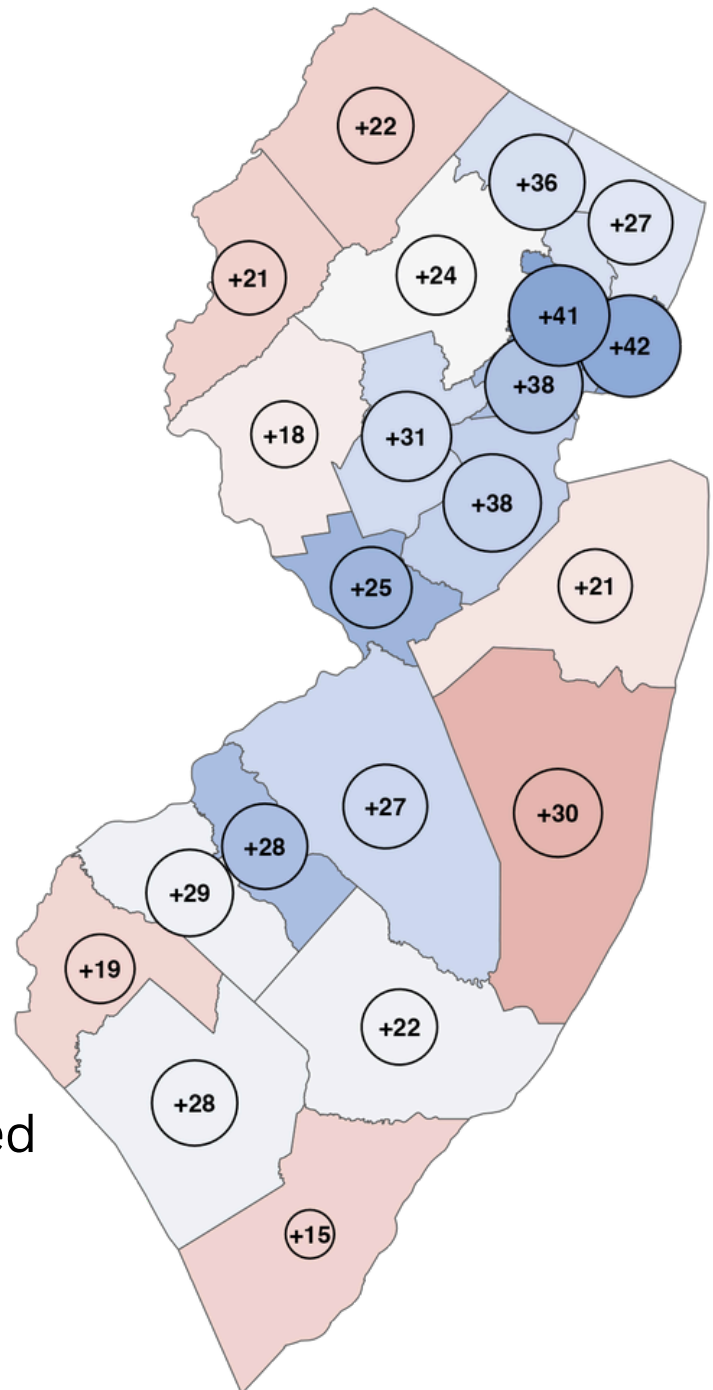

- 12,959 Democrats
- 12,326 Republicans

In 2021, Jack Ciattarelli won Hunterdon by 19 points. In 2025, he won by just 5, which is a 14-point swing toward Democrats! For much of election night, Mikie Sherrill was even ahead in Hunterdon.

This was a season of hard-fought victories, energized communities, and bold Democratic momentum.

CANDIDATE RESOURCES

HCDC Candidates were offered robust and unprecedented resources to help them meet their campaign goals and vision.

Campaign Training

It was a packed house at HCDC HQ on July 24 for the Candidate Training event. Municipal Chairs/Vice Chairs and their candidates participated in a three-hour session, including updates from the County Party, a winning Green agenda, finance/fundraising, candidate conversations with voters, and building your winning field plan. The various Hunterdon County communities in attendance were also provided a mock-up budget to be used to communicate the support they are seeking from the HCDC for their local elections.

Participants met the newest addition to the HCDC Team, Audrey Collins. Ms. Collins is HCDC's newly hired professional campaign manager for this upcoming cycle and brings a career's worth of campaign expertise and field organizing to our November races. Audrey was introduced by HCDC Campaign Committee Chair Meagan Warner as a professional contracted by HCDC to support all of our races and municipalities in developing their field plans in support of their budgets.

VAN TRAINING

On August 24, 2025, the HCDC organized “COFFEE BAGELS AND VAN” at HCDC HQ. The training covered how to set a winning universe and deploy MiniVAN for local canvases. Local candidates, campaign managers, and VAN coordinators attended this training seminar hosted by our Campaign Manager Audrey Collins and members of the HCDC Executive Committee. We appreciate everyone who joined us.

Green Caucus Talking Points (Hope Kaufman, Caucus Chair)

The Green Caucus developed a series of talking points on rising costs, risks, and funding around resilient infrastructure, preservation, and regional planning.

These talking points were developed to assist our candidates in the following ways:

- Make climate impacts local, immediate, and economically important to their bottom line by referencing specific events—like multiple road closures and washed-out bridges—candidates can translate climate risks from abstract concerns into real, relatable problems facing Hunterdon.
- Broaden our reach by framing resiliency as an economic issue for taxpayers.
- Provide Social Media content during and after the 2025 Campaign season.
- Provide talking points for canvassing.
- Provide scripted statements for phone banking.
- Provide specific and relatable talking points for mailing campaigns.

Talking Points: Rising costs, risks and funding around resilient infrastructure.

Rising Costs, Shrinking Time: Why We Can't Afford to Wait

This briefing distills the rising costs, mounting risks, and uneven funding around roadway infrastructure and climate adaptation in Hunterdon and Warren Counties.

1. This is not just about roads

- “When 18+ roads in Hunterdon County close after a single storm—and bridges in Warren wash out from landslides—we’re not debating hypotheticals anymore. We’re living the cost of delay.”
- “Each postponed road inspection or drainage upgrade today becomes a million-dollar emergency repair tomorrow.”

2. Rural & Suburban Counties Are Bearing the Brunt

- “Counties like Hunterdon and Warren are experiencing road erosion not over decades—but after a single season of back-to-back storms.”

GET OUT THE VOTE EFFORTS

INNOVATIVE OUTREACH TO VOTERS ACROSS HUNTERDON

Through a blend of creativity and technology, the Hunterdon County Democrats modernized their outreach strategy to maximize voter engagement. Volunteers utilized streamlined calling and texting tools, sending nearly 25,000 personalized messages to remind voters to support Row 1 candidates and drive turnout. Real-time call tracking and auto-updating GOTV lists ensured efficient coordination, while the new 2025 Voter Information Guide empowered residents with clear details from early voting through Election Day. Targeted direct mail campaigns, tailored for both the primary and general elections, spotlighted endorsed Democratic candidates and their local impact. Combined with engaging community events, easy online sign-ups, and data-driven communications, these innovations turned participation into measurable results across Hunterdon County.

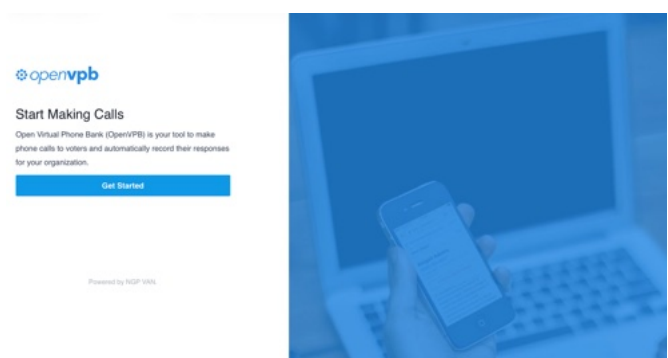

Among the tools used by HCDC were:

Weekly Newsletter

HCDC's weekly newsletter, published by P&PR Committee Chair Kiely Williams-Cox and her committee, dutifully researched, drafted, and sent news we need to know that keeps our County's good Dems and leaders in tune with national to hyper local happenings to spread the word and build party support and momentum.

OpenVPB

With one click, volunteers were able to pull up the contact information of our voters who still hadn't voted and update the system in real time for others to see call outcomes.

RE: 2025 Voter Information Guide

DATE: October 25, 2025

The HCDC Executive Committee, Chairs and Vice Chairs met via Zoom on October 23rd, 2025, and discussed the countywide organization strategy to support all voting methods through Election Day, November 4th, 2025.

Information from the meeting has been assembled into the following "2025 Voter Information Guide" as a reference document and educational tool to assist all of our voters from today, the start of Early Voting, through the election. You are strongly encouraged to share this information with all of our Dems in an effort to get our people to the polls, as this race will be determined by Democratic voter turnout.

Please be advised that HCDC headquarters (HQ) will be open on Election Day as the hub of volunteer activities. All good Dems are invited to stop by and help out throughout the day, from 9 am to when polls close at 8 pm, as well as to watch the following reporting of local election results.

Your HCDC has retained an election attorney for matters that may need an attorney's intervention. Should a problem arise on election day, please call it in to HQ for assistance.

Leading up to Election Day, HQ will be open Monday & Tuesday by appointment, Wednesday and Thursday 12 pm to 7 pm, Friday 12 pm to 8 pm, Saturday 9 am to 5 pm, and Sunday 12 pm to 5 pm.

We also encourage everybody to sign up for the County Committee Meeting and Canvass Launch on Sunday, November 2nd, at 9:30 AM by [clicking the link here](#).

Thank you for your leadership in getting our people to the polls for BIG RETURNS on November 4th, 2025.

BE HEARD.BE COUNTED.

Dear Neighbor,

The first big election since Trump's win will be held in New Jersey, this year, when we choose a new governor and re-elect our state legislature. Let's make sure we all turn out for the Primary on June 10th, and send a message to all our fellow Americans about where we want our state and our country to go.

Sincerely,
Tom Malinowski
Hunterdon County Democratic Chair

HCDC RAISING MONEY TO GET DEMOCRATS ELECTED

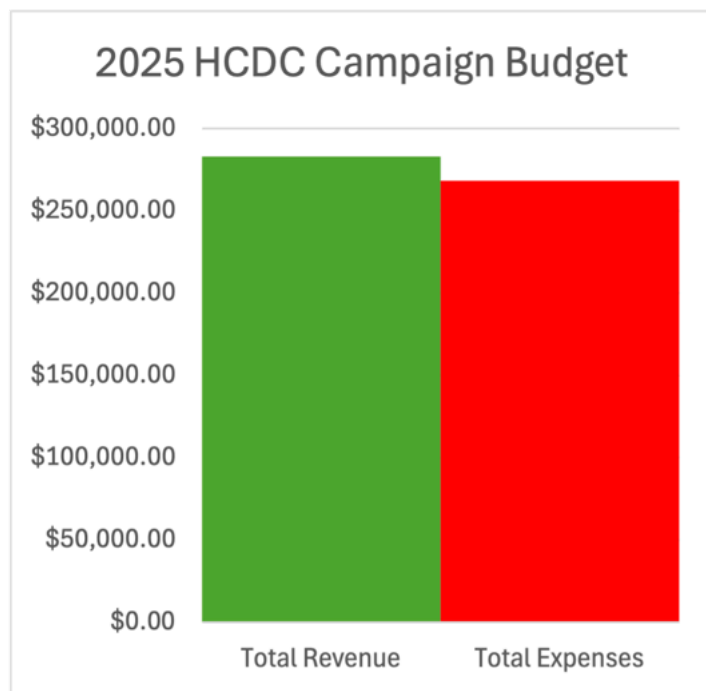

In June 2024, the Hunterdon County Democratic Committee pledged to raise substantial funding to support Hunterdon County campaigns. One year later, the HCDC publicly reaffirmed its commitment, promising to invest \$100,000 in the 2025 election cycle. The final results far surpassed those goals.

2025 General Operations

June 2024 – November 2025

HCDC's organizational performance exceeded expectations, generating more revenue than expenses over the 17-month period. The money raised went to support Democratic candidates.

- **Total Revenue:** \$283,000
- **Total Expenses:** \$268,000
- **Operating Surplus:** \$15,000

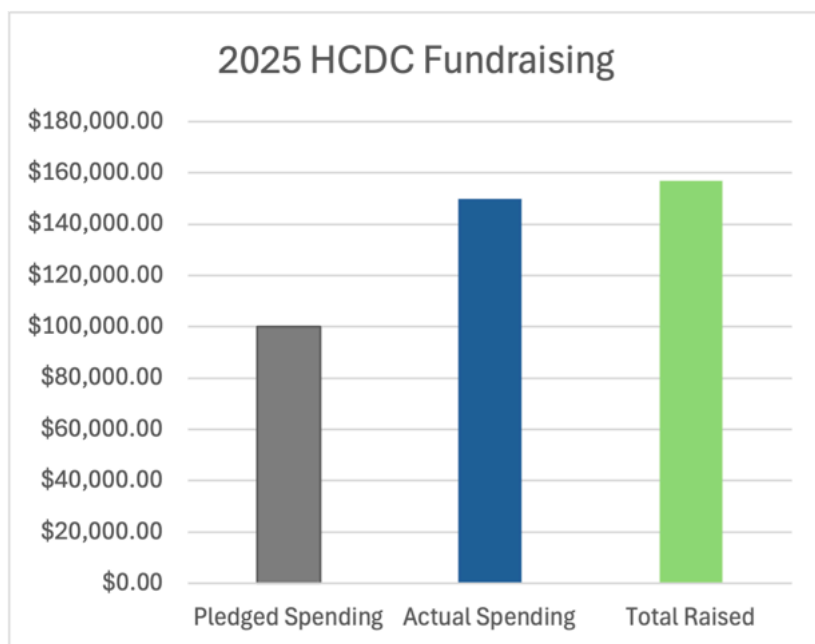

2025 Campaign Operations

November 2024 – November 2025

Against a publicly stated goal of spending \$100,000 on the 2025 cycle, HCDC delivered an even stronger campaign effort:

- **Total Raised:** \$157,000
- **Total Campaign Spending:** \$150,000

Thanks to your extreme generosity and investment in our candidates, HCDC FAR EXCEEDED the fundraising goals!

25 **TESTIMONIALS AND FEEDBACK FROM THE CAMPAIGN TRAIL**

“I wanted to reach out on behalf of the Platte County, Missouri, Democratic Party to see what you found worked and has worked for your county party on getting out the vote and even pushing Hunterdon County bluer, as you did on Tuesday...I hope we bring the energy and hope that was found in New Jersey across the country in 2026!”

-Peter Coyne, Chair, Platte County (Missouri) Democratic Party

“Thank you, Audrey (Collins), for all you did to help us win our election in West Amwell Township.”

-Joan Vanderveen, West Amwell Township Committeeperson-Elect

“These efforts resulted in what appears to be the largest margin any Democratic candidate has received in 25+ years.”

-Trent Levitt, Chair, Flemington Borough Democrats

“I felt very supported as a candidate. I definitely benefited from help with mailers and postage associated with the campaign mailers. That help freed me up to be able to knock on doors and talk to people. I had the opportunity to have meaningful conversations with community members from all walks of life. I think that made the biggest difference in my campaign.”

-Rachael White, Candidate, Raritan Township

TESTIMONIALS AND FEEDBACK FROM THE CAMPAIGN TRAIL (CONTINUED)

“HCDC certainly exceeded my hopes when it came to monetary support. That was amazing. And Michael Drulis was extremely helpful whenever I spoke with him, especially when it came to working with RPS and getting the mailer done.”

-Dale Hwang, Candidate, Readington Township

“I hope while increasing blue votes, I was anti-Maga enough to upset the majority of Republicans in Lebanon Township enough to show better Democratic candidates that the Republican majority are not to be feared and encourage local Democrats to run next to beat them.”

-Robert Foster, Candidate, Lebanon Township

“HCDC supported Tewksbury to a level beyond what has occurred in the past. It was timely as this was a key year for Democrats in Tewksbury due to the Republican incumbents we had to run against this year. Unfortunately, we still didn't turn it into a win. We did turn it into the state Republicans taking resources from other locations and sending them to our town to defend for the first time.”

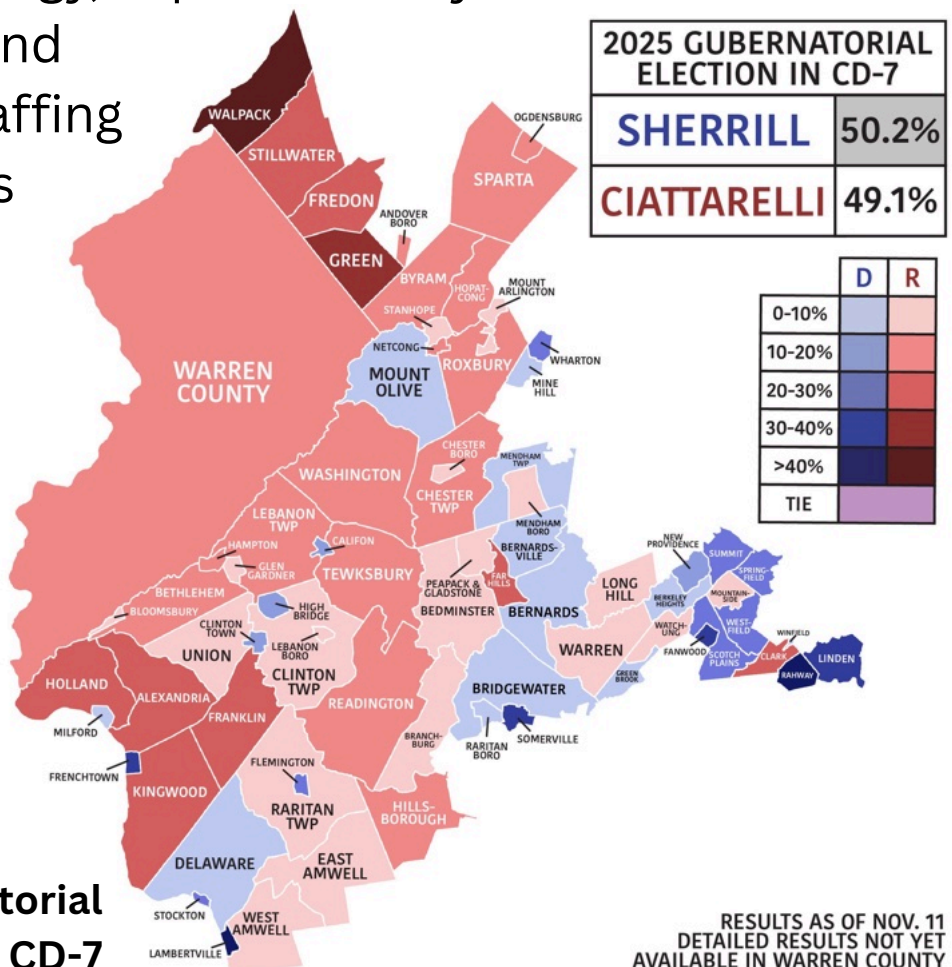

-John Macchione, Municipal Chair, Tewksbury

LOOKING FORWARD TO 2026

Next year, the HCDC plans to build on this year's momentum and carry that energy into the CD-7 race, ensuring that a rising blue tide lifts all boats. To do so, we will host December and January meet-and-greet events for CD-7 candidates to engage and educate the HCDC County Committee and local Democrats on each candidate's platform, followed by a candidate forum and open endorsement convention in the winter of 2026.

At the same time, we aim to raise the next \$100,000 to support local races, launch a voter registration initiative, implement modern election technology, expand countywide GOTV efforts in hard-to-reach areas, and sustain our campaign staffing and headquarters. This is all focused on electing Democrats up and down the ballot.

If this year's numbers hold, Hunterdon will be an essential part of flipping CD-7 back for the Democrats.
