

CRITTERS IN CLAY

Taught by
Val Gilman

October 19 and 20 for \$250
or October 19 only for \$135
at 10:00-3:00
bring lunch

- Learn to use basic hand-building techniques to create animals, humans or magical creatures.
- You can pull the images out of your imagination, or bring source material for references.
- We will explore a variety of tools and techniques as well as the structural and practical considerations of sculptural forms.
- Adults of all experience levels welcome
- Experienced potters are welcome to use thrown elements as well.
- glazing will be discussed
