

Exploring the world of Nerikomi and Neriage;

A look at how to use colored clays and porcelain to your advantage

A 4 day class for adults at Northampton Pottery, Monday through Thursday, mixing our own pigmented clays, plus using black and white porcelain. You will then learn how to pull it together to maximize the “wow factor” of your pottery thrown on the wheel and in hand building.

October 19 – October 22, 6 p.m. – 8:30 p.m.

\$325 per person, limited to 10 students.

Contact Helen at blackcatspottery@gmail.com for more information or to sign up.

Materials provided include a bag of black porcelain. More will be available for an additional fee.

Must be able to throw a 5” tall cylinder

More information is available at www.nohopottery.com
