

Exploring the world of Nerikomi and Neriage;

A look at how to use colored clays and porcelain to your advantage

A 4 day class for adults at Northampton Pottery, Monday through Thursday, mixing our own pigmented clays, plus using black and white porcelain. You will then learn how to pull it together to maximize the “wow factor” of your pottery thrown on the wheel and in handbuilding.

October 26 – October 29, 6 p.m. – 8:30 p.m.

\$350 per person, limited to 10 students.

Contact Helen at blackcatspottery@gmail.com for more information or to sign up.

Materials provided including 11 pounds of black porcelain. More may be available for an additional fee.

Must have be able to throw a 5” tall cylinder
