- Purdue University - Biology

THANK YOU
Zionsville Christian Church &
our wonderfully supportive parents/guardians!

VOILA TRANSLATION:

Listen to me I have so much you should hear
Talk about me to your loves, to your friends
Tell them all that there is a girl with a big crazy dream
I want to sing stories that reach you and touch you
That’s all, that’s all, voilà, voilà, voilà, voilà
Here are all of my flaws, here’s me breaking down walls
Air out of my lungs I put into a song
And that’s pretty much all
Look at me, or at least what’s left of me
Look at me, before I loathe myself more
I will sing you a story that no other person can tell
No, it’s not much, but it’s all that I have
I leave it here, that’s all, voilà, voilà, voilà, voilà
Here I am it is me, it’s my dream, my desire
How I die, how I laugh, I am here in the noise and in the silence
Voilà, voilà, voilà, voilà
