ENTRY & ADMINISTRATION

Each Federation must register the list of skiers it wishes to enter through the IWWF Event Management System (EMS) not later than 60 days before the scheduled start of the first competition day of the 2025 IWWF World Under 21 Waterski Championships. Any Federation not meeting this requirement will not be allowed to compete until they have paid a fine of US\$200 to the IWWF. This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking. An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. The entry fee payment must follow the process described in the Competition Bulletins. As far as possible the events that each skier will participate in, including their chosen ramp ratio, will be completed in EMS.

Official reserves should also be listed. There is no limit on the number of official reserves for each team and no entry fee is required for these skiers. Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF of US\$10 per skier per day after the 60 days deadline, for each skier not officially registered.

After the 60 days deadline a Federation may enter up to two more athletes than originally entered with no penalty, and for which the full entry fee is required as stated above. If more than two additional athletes are added after the 60 days deadline a fine of US\$50 per additional athlete will be applied.

Any name changes or events entered may be changed without penalty up to the 30 days before the scheduled start of the first competition day of the IWWF World Championships.

The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is 30 days before the scheduled start of the first event of the World Championships. Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF Representative at the Championships, of US\$10 per skier per day after the 30 days deadline for each skier not officially entered.

1. The deadline to enter skiers who qualify under the Weekly Ranking List is 30 days before the championships.
2. The deadline to enter skiers who qualify under the Pro Ranking is 15 days before the championships.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event the entry lists shall be closed at noon (12:00) and thereafter the order of competitors entered and paid will be finalised and posted.

Registration for the event will cost US\$330.00 per participant, the payment must be made before the 1st July 2025. (exception July 15th for Athletes qualifying under Pro Ranking) This Entry Fee includes a levy of US\$30.00 to assist Technical Officials with their travel costs. Payment of entry fee via wire transfer. Contact: finance@wswc.ca with any questions

OFFICIAL FAMILIARISATION

The last 2 ½ days immediately before the Championships will be reserved and used for Official Familiarisation. This will be organised so that each skier who has paid shall be allocated either a set number of passes and/or a certain amount of time at the discretion of the Chief Judge based on the principle that every skier shall receive an equal opportunity for familiarisation.

Slalom skiers will receive	– 4 passes or 6 minutes, whichever is less.
Trick skiers will receive	– 2 passes or 5 minutes, whichever is less.
Jump skiers will receive	– 2 passes or 6 minutes, whichever is less.

After closure of the registration 60 days before the Championships (please ref. to rule 14.12 for the specific deadline), each entered competitor in the IWWF Event Management System (EMS) will be allocated Official Familiarisation time as specified above.

45 days before the scheduled start of the event, the Organiser (in consultation with the Chief Judge, whose decision shall be final) shall announce the Official Familiarisation schedule (including the allowed time).

If a Federation does not want to take part in the Official Familiarization, it must notify the Organizers and the Chief Judge as soon as possible.

The order for familiarisation will be based on the team results from the previous IWWF World Championships with the last placed team athletes going first, and shall be grouped by event, i.e., slalom familiarisation, trick familiarisation and jump familiarisation (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarisation time.
