Teams,

Thank you to everyone who reached out with feedback after yesterday's email regarding the CTBR Jackpot Competitions. Several of you raised excellent points, and we have made a few adjustments based on that input.

**Updates:**

Beans will now be the final turn-in category since it typically requires the longest cook time.

The beans turn-in container has been updated from an 8 oz container to a 16 oz container.

Dessert and Chef's Choice entries will now use a 9 × 9 clamshell food container.

Photos of the approved containers have been added to the rules to help teams prepare.

Your feedback helps us make the event easier to manage and more enjoyable for everyone involved. It also helps us improve and grow this event year after year. Thank you for speaking up and helping us make this better.

Please review the revised Jackpot Competition Rules. They have been updated on the website at: <https://ctbr.net/rules>

The IBCA flyer has also been updated with the revised turn-in times and will be updated on the IBCA site as soon as possible.

Thank you again for the feedback and for being part of the first Central Texas Barbecue Roundup.

Thanks,  
George Bunker
