# ZT HD

## EXPECTATIONS ELEVATED.

Built to commercial standards for power and durability with more style, more comfort, more speed, and more precision – it's no wonder the ZT HD is one of the top selling machines in its class.

FOUR YEAR OR 500 HOUR  
WARRANTY

### X-FACTOR® 3 DECK

7-gauge steel stands up to the punishment yards and their obstacles dish out. Its sloped front end lifts grass sooner to deliver a better cut and the reinforced spindle mounts protect blade operation. It's also designed to disperse grass better with its large discharge opening.

### CUT SELECTION

Offers 15 cutting positions, ranging from 1.5 inches to 5 inches, to make your lawn look its best.

### FULLY WELDED TUBULAR FRAME

The ZT HD offers a superior and more robust welded tubular frame, giving you the integrity of a commercial frame in a residential package.

### HYDRO-GEAR® ZT-3100® TRANSAXLES

Reliable, commercial grade transaxles deliver the speed and torque to get your mowing done quickly. They're also easy to service for more longevity.

### TALLER AND WIDER SEAT WITH PADDED ARMRESTS

This seat is 22" tall to provide more back support and is mounted on a taller seat base to make it easier to stand up and sit down. Padded armrests deliver extra cushion to keep your arms more comfortable.
