ROYAL LEADERS

BY ABBEY RINDLISBACHER

We were excited to begin hosting our Princess Program on June 30th, 2022!

We kicked off the program with Princess Belle teaching the girls how good leaders are life-long learners. The girls got to read with Belle and earned their Belle Book pins. At the next event, we met Cinderella, who taught the girls that good leaders have courage and are kind! The girls then earned their Cinderella Shoe pins.

We have three princesses left in this year's program line-up, which occurs every Thursday from 2-3 PM. This Thursday, the girls will meet Princess

Jasmine, who will teach them that good leaders listen, serve, and stand up for what is right. Then they will meet Princess Raya on July 21st, who will teach them that good leaders are resilient and strong, then last they will meet Princess Rapunzel, who will teach the girls that sometimes, to be a good leader, you need to take risks, but that it's all part of the adventure!

The event's last day will consist of a Princess Tea Party and crowning ceremony with all five princesses present.

We are incredibly proud of the progress our Little Grit Girls have made and look forward to seeing them continue to grow!
