

## Our Vision

To restore and resource those who seek to be made whole.

Release the equipped into strategic, local and global opportunities.

To reveal the Kingdom of God and reach people who don't yet know Jesus.

## Our Values

We will live in and model the unconditional love of Jesus.

Prayer and practice are the keys to mastery as believers.

Every person has a redemptive purpose and value. Application and transformation are the goals of all learning.

Engage with every tool and talent available.

Yield to the Holy Spirit in all things.

Fear never chooses for us.

Find joy in the process of becoming.
