

Application for Adoption:

Enchanted Thoroughbreds

Dear Applicant,

It is of primary importance to us that we match you and the prospective adoptee as carefully as possible as you will be entering into a relationship for the rest of this animal's life. Horses live a long time. Our application process is extensive and may take a few days/weeks. We want to ensure that our residents will be well cared for the rest of their lives in their new homes. Thank you for your patience with this process.

Please fill out this application as completely as possible. If you need more room, please use a separate sheet of paper.

In order to be considered as an adopter, you must:

- Be 18 years old or be applying with a parent or guardian.
- Allow an Enchanted Thoroughbreds representative to inspect your horse facility.
- If renting, have your landlord's written consent.
- Be able and willing to spend the time and money necessary for training, veterinary treatment and proper hygiene for your horse.
- Provide Enchanted Thoroughbreds with a letter of reference from your equine veterinarian. If this will be your first horse, please find your horse vet of choice, meet with him/her and ask them to submit a letter to us stating that the two of you have begun a working relationship.
