EICR (Periodic Inspection report)

I am able to issue EICR (Periodic Inspection report), Minor Works and Electrical Installation Certificate as required.

I have achieved the qualification of C & G 2391 Electrical Inspection, Testing and Certification of Electrical Installation specifically Domestic Consumer Units.

I believe in testing...

Three to four bedroom house - expect to pay anything between £200 and £250.

Five bedroom house and larger - costs start from £300 and will depend on the size of the house.

An EICR will highlight any defects in your home's electrical installation including inadequate short circuit protection, outdated wiring, and faulty connections.

About Us

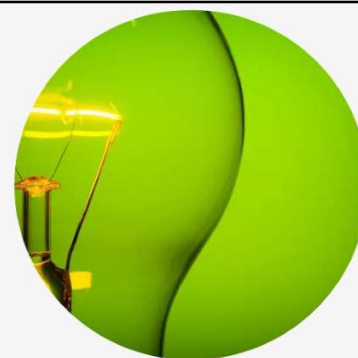

Electrical Installation Condition Report (EICR)

...previously known as the Periodic Inspection Report, involves the following:
Inspection of the consumer unit or fuse board.

Checking the polarity of the installation.
Testing protective devices to ensure they work to protect you and your family from electric shock.

I am able to issue EICR (Periodic Inspection report), Minor Works and Electrical Installation Certificate as required.
I have achieved the qualification of C & G 2391 Electrical Inspection, Testing and Certification of Electrical Installation specifically Domestic Consumer Units.

carry out an electrical installation condition report for different types of houses:

One bedroom flat - expect to pay from £120.

Two bedroom flat - expect to pay around £120 to £150.

Three bedroom flat - costs are between £180 and £210.

One to two bedroom house - inspection costs between £150 and £180....
