ABOUT

Raised in Hamburg, Indiana, Brooks Werner grew up with country music pouring through his dad's '94 Ford pickup. Picking up a guitar at 12, he began playing the classics that shaped his love for music. Teaming up with lifelong friend Drake Mitchell, they formed a band, performing everything from small dives to large stages. Inspired by legends like Travis Tritt, Keith Whitley, and Brooks & Dunn, Brooks blends smooth vocals with a gritty, honest edge. His story-driven lyrics and twangy guitars deliver both upbeat honky-tonk anthems and slow-burning ballads, bringing heart, authenticity, and a working-class spirit to every performance.

He's played some of the region's biggest stages, opening for nationally recognized acts, and has been featured on local radio, podcasts, and music blogs. His 2025 debut single, produced in Nashville by Shawn Byrne,

showcases his signature mix of smooth melodies, driving rhythm, and lyrical grit. With more music on the way, Brooks Werner is dedicated to keeping traditional country alive while introducing it to a new generation.
