

# Vignes Lake

## WELCOME

With the holidays behind us it is now time to focus on the new year. The Board met Monday, January 12th to do just that and plans for 2026 activities will be coming out shortly.

## YARD OF THE MONTH

Yard of the month award will resume in March 2026

## Lake Report

We are happy to report that all fountains continue to run and the aerator system has also been placed back into service, after a problem with the gfi was remedied. The lights remain a problem on the small fountain, however, plans are still underway to see if they can be restored. With regard to the ongoing discussion concerning improving the fishing experience in the Lake, the Board has decided to allocate approximately \$6,000 to be used for re-stocking the lake. The allocation will be directed by the newly formed fishing panel, headed by Frank Dedman, and anyone wishing to be involved may contact Robert Perkins at 225.678.4842.

## Message From The President

Since I received no complaints on how we are handling the Annual Meeting we will again plan a picnic sometime in March to allow anyone wishing to discuss HOA business or run for any Board vacancies to have that opportunity in a relaxed and friendly environment. Again this year, the annual meeting will be held in conjunction with the annual Easter Egg Hunt and SONNY'S BAR-B-QUE will cater the event, planned for March 21, 2026.

The Board is considering closing a portion of Margaux to traffic, for some designated length of time to allow children to play safely in the street. We would like to receive comments for or against this proposal and suggestions for days and timing of such an event. Your feedback will be appreciated.
