100 or so Homeschool Resources

PLANNING AND ORGANIZATION

- 1. Yearly Calendar and Planner: Any brand will do including free printables off the internet. My favorite is from Plum Paper. https://www.plumpaper.com/shop/category/homeschool-teacher
- 2. <u>Cozi Online Family Calendar and App:</u> Keep track and color code every activity and special day. Viewable by all in the family. https://www.cozi.com
- 3. <u>102 Top Picks for Homeschool Curriculum</u> by Cathy Duffy (2014): Lists and recommendations for 102 great homeschool curriculum.
- 4. <u>Donna Young Printables and Resources</u>: Tons of forms, report cards, attendance records, course of studies sheets, meal planning, etc. https://donnayoung.org/index.htm
- 5. <u>HSLDA Membership</u>, State Homeschooling Laws, and High School Handbook
- 6. Academic Records Transcript Service
- 7. <u>Education.Com</u> Learning Library: Worksheets for every subject in every grade level. Most are free https://www.education.com
- 8. Audible Books and bluetooth headphones
- 9. <u>Your Morning Basket:</u> Monthly plans for different seasons, grade levels, and historical time periods
- 10. <u>Kids Connect</u>- printable worksheets for different holidays, subjects, and topics. <u>https://</u>kidskonnect.com
- II. <u>Easy Peasy All In One Free Online Curriculum</u>: Lessons plans with links for the entire year for every grade level. https://allinonehomeschool.com
- 12. <u>Enchanted Learning:</u> hundreds of downloadable worksheets, writing and arts activities, storybooks, and reading/ABC activities for K-3rd grade. https://www.enchantedlearning.com
- 13. <u>Carschooling: Over 350 Entertaining Games and Activities to Turn Travel Time into Learning Time by Dianne Flynn Keith.</u>
- 14. <u>Game Schooling</u> and The Games Curriculum. <u>https://homeschoolgameschool.com/gameschooling/</u>
- 15. <u>Duckster:</u> Free online encyclopedia for kids. Each topic also include crossword puzzles, word searches and quizzes https://www.ducksters.com
- 16. <u>Quizlet-</u> Create personalize flashcards for any subject and grade level. Each set also includes review, games, and tests. https://quizlet.com

- 100. AND FINALY, MY Book and Podcast

<u>Just Breathe (and Take a Sip of Coffee)</u>: <u>Homeschool in Step with God</u> by Carrie De Francisco (2020)

Coffee With Carrie Homeschool Podcast

I do not recommend math curriculum because it really depends on your child's learning style and your budget.. My favorites:

Saxon, Teaching Textbooks, Math-U-See, Life with Fred, and Mathematical Reasoning (from Critical Thinking Publishers)
