- Fill in the appropriate dates for each month.
- Mark off important dates such as birthdays, anniversaries, vacations, etc. **Traveling is full of learning!**
- Record any homeschool events such as field trips, co-op days, etc.
 These are school days too!
- Set your 1st Day of School and your last day of school. Stick to it! Plan celebrations for both.
- Research how many days of school you need to complete for your state's requirements. Fill it in below.
- Print an attendance record for each child.
- Write 4-5 Yearly Goals for your child
- After each school day, check the appropriate date box.
- At the end of each month, record major accomplishments, fieldtrips taken, and total number of days of school.

Goals

Total Days Needed:

Yearly Verse

Grade Student Dober Wednesday Thursday Twesday Monday Friday Total Days Things Accomplished: Field Trips After 6 Weeks of school, plan a Sabbath Break.

Grade Student Movember Tuesday Wednesday Thursday Friday Monday Things Accomplished: Total Days Field Trips During November, plan a family service project. That's school too!
