# Passport To Jearning

Spend a year exploring countries, cultures, and God's creation. Get your Passport, load up your library bag with some great books, add some spices to your kitchen, and you are ready for a year exploring!

Pick 15-30 countries you want to explore and spend the year learning about each one. One Room School House Approach so whole family can "travel" together!

## Each "TRV" (Do any, some or all of these things for each country):

- Read TONS of picture books and chapter books about the country.
- Locate the country on the world map & draw the country's flag.
- Learn about the country's habitats and native animals.
- Learn about the country's history, culture, holidays & famous people.
- Make and eat ethnic dishes from the country.
- © Create art projects from the country while listening to music of the country.
- Play games from the country or geography games to learn the region or continent.
- Use math skills by playing cultural games and cooking authentic dishes.
- Go on fieldtrips to explore history, culture, ecosystems, animals, and/or food of the country.
