

“SOLD FOR SHEEP”

Is not your typical cover band; we're a musical journey through time, reimagining classic hits with a unique twist. Our band members are passionate about infusing new life into beloved songs, blending genres, and creating an unforgettable sonic experience. Hailing from diverse musical backgrounds, “SOLD FOR SHEEP” crafts a sound that seamlessly transitions from the groovy '70s to the alternative '90s and everything in between. From Rolling Stones timeless rock to the funky beats of Burton Cummings, we take the familiar and make it fresh.
