FROM THE PRESIDENT'S DESK

Happy New Year to Everyone!

With December and all the memories of Christmas Celebrations still in our memories, we are already filled with great excitement looking into 2026 and continuing in building our Club. For many of you who have not been able to attend many of our events, and for those of you who would like to remember, we have included in this Newsletter a few pictures of the past year's Club life.

As for club life, make sure to mark your calendars for the many events we have planned for you to get you through the winter months. One of these events will be our 'Sauerbraten New Year's Dinner' that is now just a week away. Make sure to contact the office soon and sign up to get your seats. Included in this fantastic meal will be a complimentary glass of Champagne for you to make this Year start sweet. (See poster in this Newsletter). We also have another Great Lakes Blues society blues band playing in the big hall on January 17th featuring Ian Andrews and the Big Band Blues Show.

As per request, I have also included at the back of this newsletter the speech I gave at the Volunteer Christmas Dinner thanking all of our great volunteers and staff for all of their dedication and assistance throughout 2025.

Thanks again to all of our volunteers, members, and staff for a great 2025 and see you soon at the Club!

Friedhelm Hoffmann, President & Michael Marienwald, Vice-President

Memories of Oktoberfest 2025

Memories of Oktoberfest 2025

As I have been asked several times if I would publish the President's speech from the Volunteer Christmas Dinner. It has been inserted into this news letter for all of our volunteers who could not make it to the appreciation dinner, as a recap for those who did attend, and for anyone who is interested.

'Thank you for coming tonight and I am privileged on behalf of the Board of directors to have you here for this event. It is a gathering to celebrate our German Canadian Club, that can only succeed with you. When I say 'You' it is #1 you as a volunteer members, and our employees, as you make it happen. No one else. In our own club we have untergruppen or in English language societies that are part of us. These untergruppen include the Seniors group, Evelyn and Inge are represented from them. Always hard at work and always help out wherever they can in work and financially. The Tennis represented by Joe himself. Certainly, a lot of work to keep the tennis area and courts up but very successful. The Soccer which is indeed the biggest part and there are too many of the board members sick to show up today, and Terry the president sends his greetings as he could not attend. Then there is the arts part of our organization, the Lyra choir which had a fabulous fun Christmas concert this past Sunday and there are several choir board members here and the president Kathy who also sits on the GCC board. We also have the Special Events group that looks after special occasion and organize events like the Christkindl Market which is a very important event to the club run by Marlene, Sylvia and Pam. And then there is the Bar management and Bartenders who are an imperative part of our group lead by Hume with great support by his lovely wife Jenn. Our custodians Daniel and Nicholas that do an amazing job keeping the grass cut and look after outside and inside cleaning. The kitchen in two parts, first our permanent caterer Anna, but also we do again after years our own part in the kitchen and run some events. Special thanks for all who help out in the kitchen on an ongoing pace. It is quite fun to do this work which helps the club to keep the balance sheet in better shape.

Maintenance; The building is full of maintenance as this building is older and and has its issues. Glad to have Michael Marienwald looking after things at ungodly hours and time, with the help of Scott, Larry, George and Daniel. Big thanks to you guys. We save a lot of money just having great people like yourself around.

Thanks to Anita for her bookkeeping work and she knows how we tick in an environment with many hands on lots of cash and receipts and bills to sort it out correctly

Thank you to Carlene that does a major part of administrative work, And she sends greetings as she could not join us today to attend the passing of her sister this week.

And, of course I want to thank our Board of Directors for their time and input helps and actions to look after finances, projects events and much more!

Thanks to our continuous support from Sponsors like Subaru, Drewlo Holdings and others as well for their private donations that give us financial support. Special thanks to the Partnership of Paulaner in Germany and through Rick Doyle at Premier Brands in Canada for his and their support. We thank certainly our permanent renters and partners, such as the Nice Church, the Irish connections, the Men of Accord, the Great lakes Blues Society that hold all their events here, A Royal Tribute Productions—the Roy Leblanc production that hold the Elvis concerts and other events. What great relationships we have with these groups, and we will continue to foster those relationships and expand to new ones.

Continued on next page

We always need to remember, that we are a not for profit organization and we are not a private sector run where one or a stock is holding the company and strive for profits, we are not. We are here for the community, to be part of the community and to work in, and for the wider community. And doing so is a very important part especially in our times. Our objective is in all respect to the Germanness's we promote is to entertain, to educate to do recreation also in tough times (I don't understand this sentence). We do work on the part that the profitable world is not working so much on, and that is a sense (?) ("part" maybe?) of community that gives hope, and this is exactly what we are looking for today in this Christmas time and beyond. Our world is all about economy and economy. (use different word) which is all good but besides value just through the dollar there is also value in culture, in community and in being together, working side on side for a good cause and looking for reward that is not expressed in Dollar in cents but rather in empathy, compassion for our neighbour and community. That is the only reason I am here and that is the only reason I can help leading with our team of board members and executives. We are part of a big picture and that picture can only be painted because you are here and that is what we celebrate today. We wish you all a merry Christmas and good start in the new year. Froehliche Weihnachten und einen guten Rutsch ins Neues Jahr.'

Friedhelm Hoffmann, President
