

This year we are again thrilled to host the
Concordia Schuhplattler!

This group will have you amazed with their intricate and amusing German dances! Founded in 1982 with a goal of preserving the Bavarian/Austro culture, they have done much to accomplish just that! Trust me you will have a hard time not joining in!

Come on Saturday during the Family day portion (11 am - 4 pm, \$10 per adult, children free) and learn some of the history of these dances.
