KINGDOM

HEAVEN IS ON THE MOVE

What if Heaven wasn't a 'someday' thing?
What if it's showing up... everywhere?

KINGDOM is a bold, cinematic documentary from filmmaker Darren Wilson (*Finger of God, Father of Lights, Holy Ghost, The God Man*) that explores how the kingdom of God is breaking through right now in the most unexpected places around the globe: tech startups, prisons, the Himalayas, the deserts of Australia, and more.

The film explores the major concepts behind the kingdom of God espoused by Jesus in the Bible. It provides a rich mixture of theological experts and authors explaining what the Kingdom of God consists of, as well as real world examples of how God's moving in wildly different locations and scenarios around the world.

Who Is Behind Kingdom?

Darren Wilson is a proven documentary filmmaker and creator of the “God-umentary” style of filmmaking — an unscripted, real-time approach designed to capture authentic spiritual moments and drive unusually strong audience engagement. A former college professor, Darren entered filmmaking after a pivotal encounter with God in 2006 that led to his first feature documentary, *Finger of God*. Released with no traditional marketing, the film sold over 100,000 copies through word of mouth alone, launching a body of work that has since reached millions of viewers worldwide and established Darren as a leading voice in faith-based content. Former Columbia Pictures VP of Production Devon Franklin has called Darren “one of the most innovative filmmakers and authors of faith today.”

Across 9 feature films and 2 television series, Darren has consistently delivered 3–5x returns on production budgets, driven primarily by direct-to-consumer distribution and highly efficient marketing strategies. With a disciplined production model and a clearly defined audience, his projects demonstrate repeatable financial performance. Now partnered with **Collide Media Group** — one of the premier faith-based marketing firms in the U.S. (The Chosen, Rings of Power, and others) — Darren is positioned to significantly scale reach and revenue, making Kingdom his most commercially successful release to date.

LOCATIONS

KINGDOM
HEAVEN IS ON THE MOVE

While locations are still being confirmed, here are some example locations and ministries we hope to capture:

Among America's elite, believers are building Kingdom culture within one of the world's most secular industries.

SILICON VALLEY, USA

Two ministries: one rescues trafficked children at the Nepal-India border, and the other runs an orphanage and rehab center in Kathmandu.

NEPAL

A community of the Makuwa Nahara people who offer a food center, drill wells, and provide rest for those offering crisis aid amid ongoing terrorism.

NACALA, MOZAMBIQUE

A ministry that serves remote Aboriginal communities by meeting their immediate needs and supporting their traditional way of life.

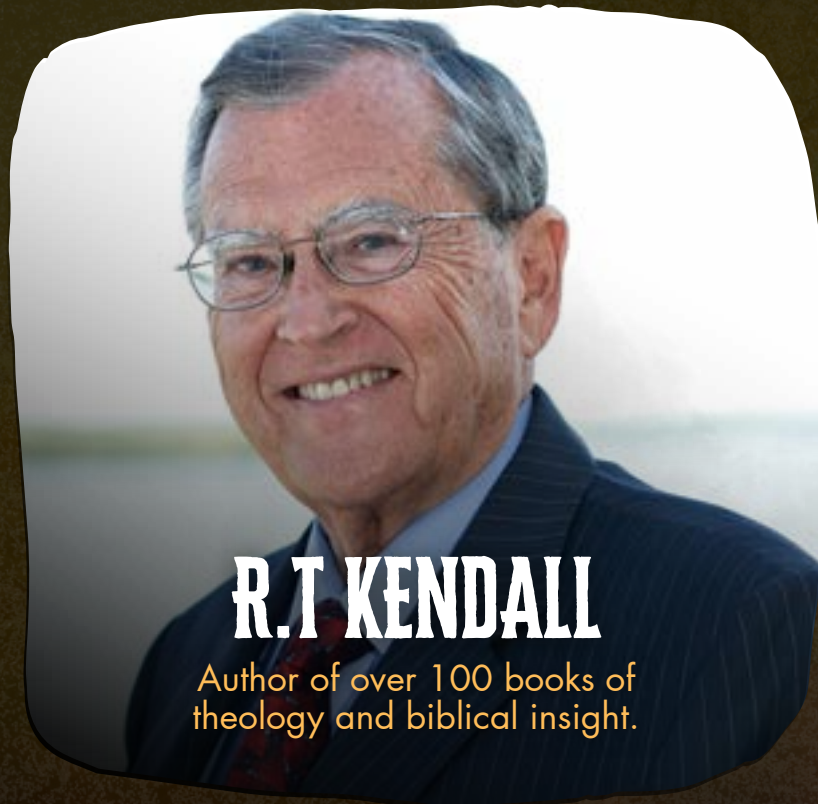

ALICE SPRINGS, AUSTRALIA

A ministry that supports prisoners through visits, job training, and micro-financing while partnering with pastors to share the gospel in unreached rural areas.

BOLIVIA

THE EXPERTS

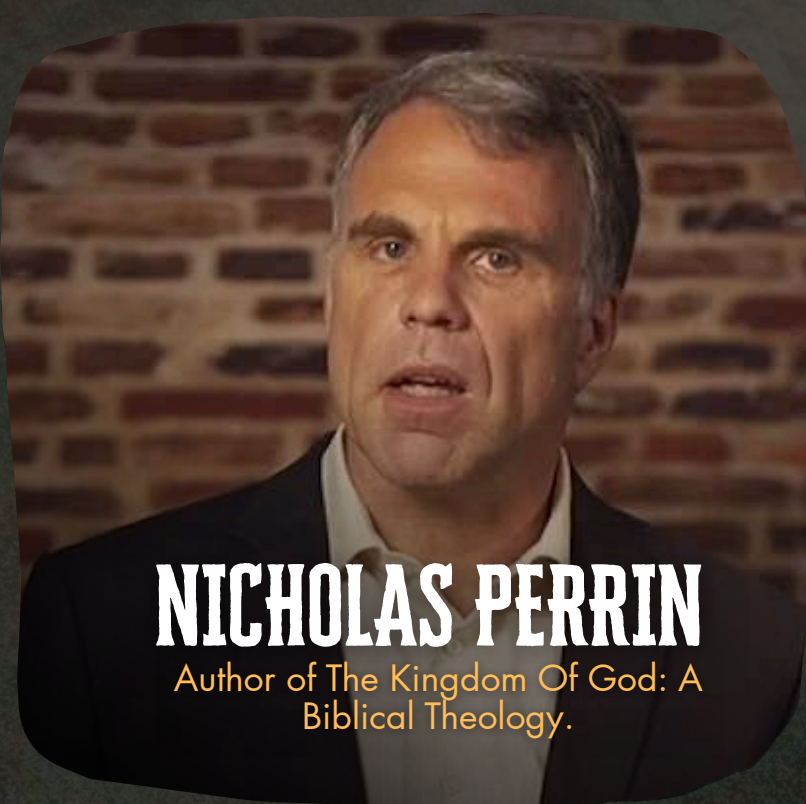

R.T. KENDALL

Author of over 100 books of theology and biblical insight.

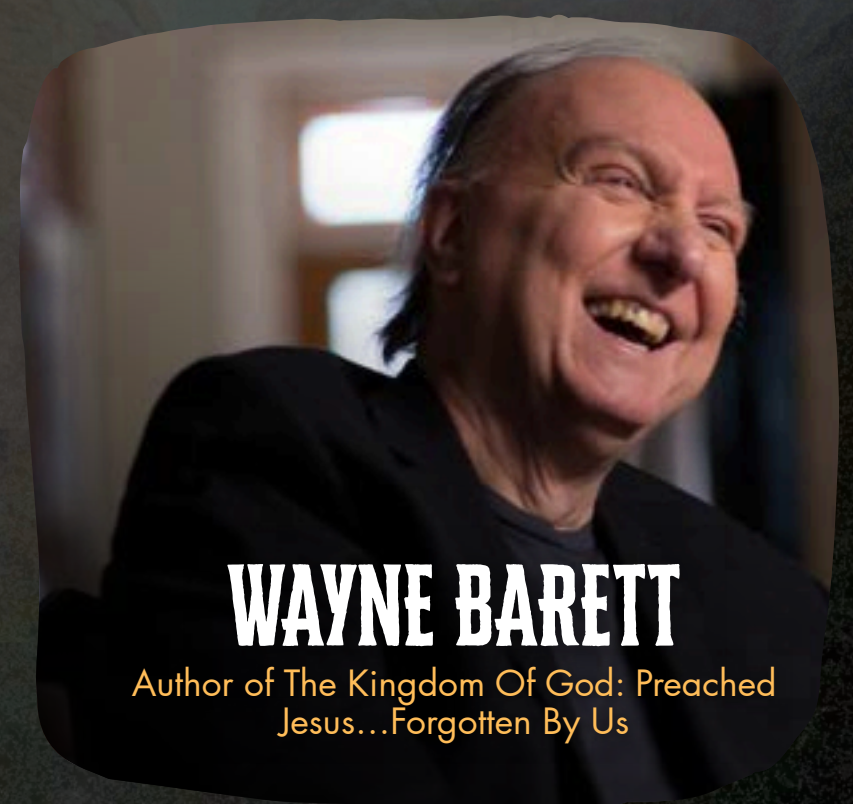

JEREMY TREAT

Pastor, Author of Seek First: How The Kingdom Of God Changes Everything.

CORE AUDIENCE

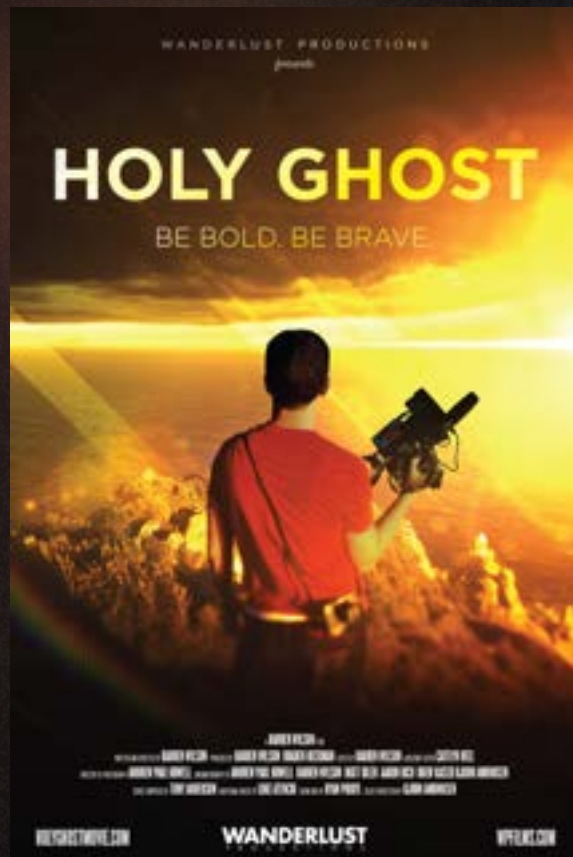

Kingdom is for anyone who is searching, who is wrestling, who desires deeper intimacy with God and His people, for anyone who is asking Where is God? and Is He moving? The hope for this film is that it will inspire unbelievers and believers alike that God is not far off. He is not in a distant Kingdom that we are stuck waiting for, but that He is here, moving, now.

Example target audiences:

- Values-driven families, spiritual seekers
- Millennials and Gen Z exploring purpose and justice
- Creatives, business leaders, ministry-minded professionals
- Fans of The Chosen, Chef's Table, Explained, Holy Ghost
