TO DISCOVER IN THE FALL

# TOP 5 FALL DESTINATIONS AROUND THE WORLD

## 1

### Bavaria, Germany

Bavaria really comes to life in the fall. This already scenic section of Germany hosts fun activities like Oktoberfest, autumn festivals and fairs

#### Quick Tip:

Visit during the Fall season to visit the famous Oktoberfest festival. Don't forget to dress in Oktoberfest appropriate attire, it's part of the fun!

## 2

### Lancaster, Pennsylvania

Lancaster is a wonderful place to go in the autumn season. It has apple orchards, corn mazes, and markets bursting with homemade goods.

#### Quick Tip:

Lancaster has an abundance of Amish communities and markets. Take some time to visit and experience their wonderful produce and crafts!

## 3

### Aberfoyle, Scotland

Experience the breathtaking view of Lochan Reoidhte in Aberfoyle. It shows the stunning beauty of Scotland in the fall when the trees display their autumn colors.

#### Quick Tip:

While in Aberfoyle, visit the attractive main street that is equipped with individual shops, cafés and restaurants.

## 4

### Cabot Trail, Nova Scotia

You'll have access to over ten stunning spots to visit while traveling on the Cabot Trail.

#### Quick Tip:

Because the road goes up and down steep grades and curves, driving the trail in a clockwise direction is better for drivers (and passengers) who dislike driving next to steep drops.

## 5

### Transylvania, Romania

There is no better place than Romania for taking advantage of the fun of the Halloween season and the beauty of fall all at once.

#### Quick Tip:

Travelling around Transylvania, described as 'the last truly medieval landscape in Europe', feels like you've gone back 100 years! Horse-drawn carts rumble along dirt roads, while shepherds tend their flocks and villagers make hay in the sun.
