Why Should You Work with a Travel Advisor?

Yes, we're still here! Nowadays, we prefer to be called "Travel Advisors."

Our approach isn't just about transactions; we focus on crafting a personalized travel experience for you.

So, why collaborate with us on your travel plans? Here's why.

OUR CLIENTS RECEIVE

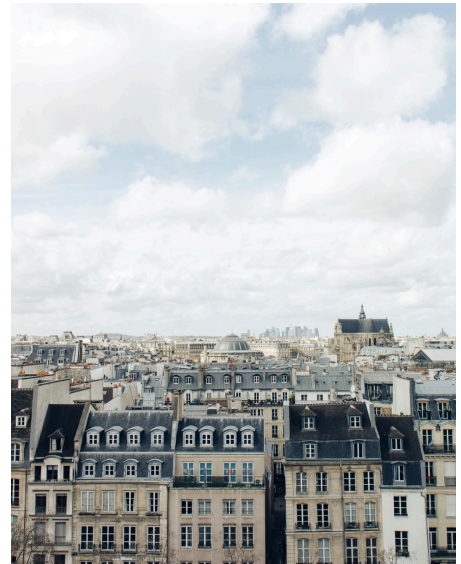

PERSONALIZED SERVICE AND CUSTOMIZED PLANNING

The vacations we plan for clients are highly collaborative. No two travelers are the same (even within your own family!) which means no two itineraries are the same. We get to know our clients on a personal level to find out what really matters to them. We dive in to the “why” behind the vacation, and we get to work making sure you are matched with the right experience for you.

VIP TREATMENT & ACCESS

We are honored to be a part of Travel Leaders Network, the #1 travel consortia in the USA. This means we are well-connected with the best, most trusted travel partners in the world. As a result, we can offer our clients added benefits and amenities like private tours, members-only access, and premium upgrades.

PEACE OF MIND WHEN (AND WHERE) IT MATTERS

Your vacations are the manifestation of two very important parts of your life: your leisure time and discretionary income. What you do with these two assets will add to all other areas of your life. Why leave it to chance? Working with us ensures you have someone committed to you; someone who is looking out for you and is deeply invested in your happiness every step of the way. Should you run into any travel issues, weather delays, or lost luggage, rest easy knowing we’re working behind the scenes, advocating on your behalf to find solutions as quickly as possible.

SAVE HOURS OF TIME RESEARCHING ONLINE

We understand that your time is precious and often limited. Planning a vacation shouldn't add to your stress or become another chore. Thanks to our specialist network of connections, we can swiftly create tailored options that perfectly match your style and preferences.

DESTINATION INSIGHTS

It's all about connections, not just knowledge. We partner with local specialists to offer a deeply personalized approach to trip planning. For those seeking genuine, authentic experiences, collaborating with a travel advisor is the ultimate way to elevate your travel dreams to reality.

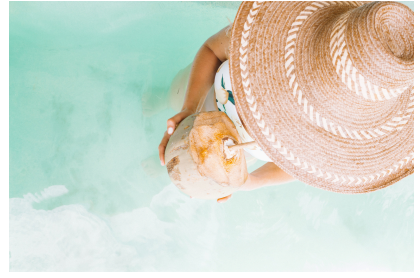

CONCIERGE SERVICES*

At Sea & Sun Travel, our concierge services are designed to enhance every aspect of your journey. We take care of all the details, from securing coveted dining reservations and providing personalized destination guides, to booking indulgent salon and spa appointments and arranging exclusive private shopping experiences. Our goal is to ensure a seamless and luxurious travel experience, allowing you to relax and enjoy every moment without any hassle.

Minimum Travel Budget & Pricing

To ensure the highest standards of quality and value, we have partnered with the best suppliers in the premium, luxury and romance travel spaces to ensure our client's needs are exceeded in every aspect of their trip. Your travel experience is an investment, and we want to ensure you get the best value to meet your needs.

Minimum Travel Budget by Destination/Travel Experience (based on 7-night vacation)

- **\$5,000 per couple for US/Mexico/Jamaica/Dominican Republic/Ocean Cruising**
 - **\$7,500 per couple for Rest of Caribbean/Golf Trips/Central America**
 - **\$10,000+ per couple for Hawaii/Central and South America/Europe/River Cruises/Sporting Events**
- **\$15,000+ per couple for African Safaris/Expedition Cruises/Maldives/South Pacific**

***Please note that minimum budgets are not always inclusive of airfare and based on 2 travelers.**

A NOTE ON PRICING

Our job is to find you the best value for your vacation, although not necessarily the lowest cost. Pricing, while very important, is only one of many factors we consider when putting together the best package. We take our clients' budgets very seriously and treat them with the same respect we would want our own vacation budget treated, but ultimately we keep your best interest in mind and make our travel recommendations with all relevant factors considered. Also, we are unable to provide line-item pricing, as your package consists of many components.
