BLUE BUILDING FUND ENVELOPES

We remain committed to building and maintaining a campus that reflects the many blessings God has bestowed upon us. To support these efforts, we have begun an initiative to strengthen our parish building fund. You will notice that the general green envelopes have been replaced with **BLUE BUILDING FUND** envelopes. They will also be added to the rotation of envelopes that are mailed to you. Contributions made through these envelopes will be designated specifically for parish improvements and maintenance, helping us continue both current and future projects.

We also thank all those who contributed to this week's flower fund! Donations can be made directly to the parish. Please make sure to indicate it's for the flower fund.

DID YOU KNOW?

What is Generative Artificial Intelligence?

Generative Artificial Intelligence is technology that allows a user to create new or alter existing images, videos, or text, based on user prompts or requests. It can be misused to create AI-generated child sexual abuse material, including sexually explicit or exploitative images that depict real children. According to the National Center for Missing and Exploited Children, this technology is being used to exploit children, particularly in the creation of GAI Child Sexual Abuse Material, often generated from images that have already been posted or shared online. In many cases, the offenders were people who knew the child victims well. For more information, visit <https://www.missingkids.org/theissues/generative-ai>.

¿SABÍA USTED?

¿Qué es la Inteligencia Artificial Generativa?

La Inteligencia Artificial Generativa (IAG) es una tecnología que permite al usuario crear o modificar imágenes, videos o textos nuevos, a partir de indicaciones o peticiones del usuario. Se puede utilizar indebidamente para crear material de abuso sexual infantil generado por IA, incluidas imágenes sexualmente explícitas o de explotación en las que aparecen niños reales. Según el Centro Nacional para Niños Desaparecidos y Explotados, esta tecnología se está utilizando para explotar a los niños, especialmente en la creación de material de abuso sexual infantil generado por IAG, que son creadas a partir de imágenes que ya se han publicado o compartido en el Internet. Hearing this Gospel, we can trust that God knows our love and good deeds, and that he will mercifully gather us into his kingdom.

This week, please say a special prayer each day for the poor and forgotten in our parish.

Dear St. Pancratius Family,

The summer months seem to be flying by. For many of us, the World Cup has been one of the reasons why! It has been a joy to witness people from around the world coming together to celebrate the beautiful game, cheering on their teams and sharing in a spirit of friendship and community.

Here at St. Pancratius, our own summer has been filled with activity as construction continues. Much progress has been made, and the work will carry on until the beginning of the school year.

I am happy to share that the sanctuary is nearly complete. Unfortunately, there was an unexpected setback when one of the packages containing the top of the main altar was accidentally dropped during delivery, causing it to crack. This means we will need about one more week to complete the installation. Even with this delay, it is a blessing to be back in our church to celebrate the weekend Masses together.

Once the sanctuary is finished, the next important step will be its solemn consecration by the Archbishop Gomez or one of our auxiliary bishops. This will be a beautiful and historic moment in the life of our parish. As soon as the date is confirmed, we will let everyone know so that we can gather to celebrate this special occasion.

Thank you for your continued patience, understanding, and prayers throughout this renovation. Your support and encouragement have been a true blessing. May God continue to bless you and your families as you enjoy the remainder of these summer days.

In Christ,

Father Andrew

Estimada familia de San Pancracio:

Los meses de verano parecen pasar volando. ¡Para muchos de nosotros, la Copa del Mundo ha sido una de las razones! Ha sido una alegría ver a personas de todo el mundo unirse para celebrar el deporte, animando a sus equipos y compartiendo un espíritu de amistad y comunidad.

Aquí en San Pancracio, nuestro verano ha estado lleno de actividad mientras continúan las obras de construcción. Se ha avanzado mucho y los trabajos proseguirán hasta el inicio del año escolar.

Me complace informarles que el santuario está casi terminado. Lamentablemente, surgió un contratiempo inesperado cuando uno de los paquetes que contenía la parte superior del altar mayor se cayó accidentalmente durante la entrega, provocando una grieta. Esto significa que necesitaremos aproximadamente una semana más para completar la instalación. A pesar de este retraso, es una bendición estar de vuelta en nuestra iglesia para celebrar juntos las Misas de fin de semana.

Una vez terminado el santuario, el siguiente paso importante será su solemne consagración a cargo del Arzobispo Gómez o de uno de nuestros obispos auxiliares. Será un momento hermoso e histórico en la vida de nuestra parroquia. Tan pronto como se confirme la fecha, se lo comunicaremos a todos para que podamos reunirnos a celebrar esta ocasión especial.

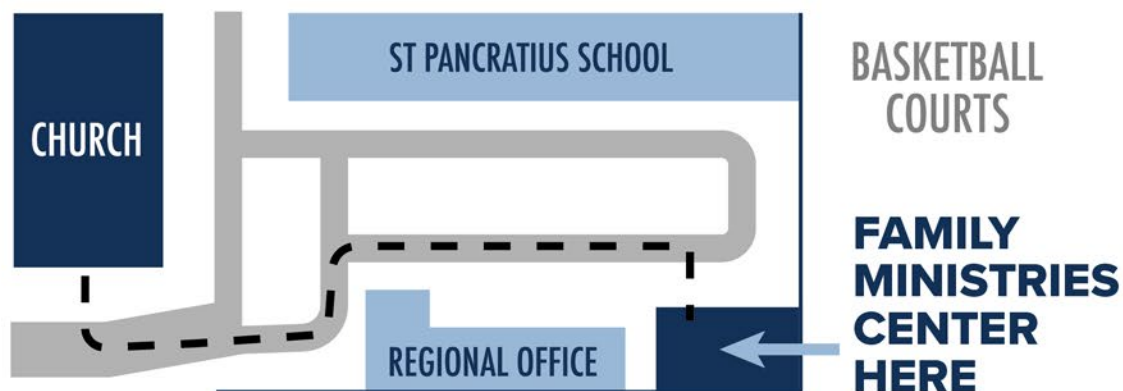

Gracias por su continua paciencia, comprensión y oraciones durante todo este proceso de renovación. Su apoyo y ánimo han sido una verdadera bendición. Que Dios continúe bendiciéndolos a ustedes y a sus familias mientras disfrutan del resto de estos días de verano.

En Cristo,

Padre Andres
