Cancellation Policy

Beginning January 1st, 2025, a \$50.00 cancellation fee will incur for each missed or late-cancelled appointment.

In order to avoid cancellation fees, you must cancel or reschedule at least 24 hours prior to your appointment. Monday appointments need to be cancelled by the previous Friday.

To be able to schedule or maintain future appointments, all fees in your QuickBooks account must be paid at least 24 hours before your next visit so that Cary Psychology does not cancel your appointment.

If three or more appointments are missed over the span of three months, Cary Psychology may reserve the right to terminate you as a patient.

If you need to cancel or reschedule your appointment, you may contact Cary Psychology at (919) 434 - 9169 or info@carypsychologync.com.
