Unde	rstanding the Benefits
	The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit Humana.com/medicare or call 1-800-833-2364 (TTY: 711) to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the formulary to make sure your drugs are covered.

	Benefits, premiums and/or copays/coinsurance may change on January 1, 2026.
	Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
	Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/Find-Care** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/medicaredruglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice.
