Access more than one million network providers¹

This plan includes a network of quality doctors, hospitals and other care providers. You have access to a large dental provider network. You can also get care from out-of-network dental providers but your costs may be higher, even for services with a \$0 copay.

Here's how this HMO-POS plan works

Get care from providers in the national network or visit out-of-network providers for covered dental services.

Select a primary care provider in your plan's service area to oversee and help manage your care. It's required by the plan, but it's also very beneficial for your long term health and well-being.

\$0 copays for preventive services when received in-network. See the Summary of Benefits in this book to find out what is covered and how much you could pay for covered services.

No referral is needed to see a network specialist or other provider.

This plan has a maximum annual out-of-pocket amount. If you reach your limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

Emergency and urgently needed services are covered anywhere in the world.

Remember, you are not required to enroll in a Part D plan, but if you don't, you will pay a penalty equal to about 1% of the average monthly premium for each month you delayed enrollment. This must be paid monthly as long as you are enrolled in Part D.

Go to [AARPMedicarePlans.com](https://www.aarpmedicareplans.com) to search for a network provider using the online directories, review plan documents and so much more.

¹ Network size varies by location and exclusions may apply.

UnitedHealthcare - H5253

For 2023, UnitedHealthcare - H5253 received the following Star Ratings from Medicare:

Overall Star Rating: ★ ★ ★ ★ ↘ 4.5 stars

Health Services Rating: ★ ★ ★ ★ ↘ 4.5 stars

Drug Services Rating: ★ ★ ★ ★ 4 stars

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings are Important

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars shows how well a plan performs.

Before you enroll

Make sure this plan is the right one for you. It's important that you understand how the plan works and what benefits are covered before you enroll in this plan. You can find the Provider Directory and the Evidence of Coverage at [AARPMedicarePlans.com](https://www.aarpmedicareplans.com).

Did you check the online Provider Directory to make sure your providers are in the network?

If your providers are not in the network, you will need to select a new network provider. You also have access to a large dental provider network. You can get care from out-of-network dental providers but your costs may be higher, even for services with a \$0 copay.

Did you look through the Summary of Benefits in this booklet to see how much you'll pay for medical services?

If you want more information, the Evidence of Coverage includes a complete list of coverage, costs, benefits and plan rules.

You're eligible to enroll in this Medicare Advantage plan if you:

Are enrolled in Original Medicare Parts A and B

Continue to pay your Part B premium
