

Promises Auction – Bid, Win and Make a Difference!

Get ready to bid for something special in our Promises Auction You can bid on unique, personal promises including treats, workshop sessions and items created specially for you —perfect as thoughtful gifts for Christmas, birthdays, special occasions or to treat yourself.

Every penny raised will go directly to support **Chibombo Peoples Climate Action (CPCA)**, a dynamic grassroots organisation working in rural Zambia, where the effects of climate change are hitting communities hard. Led by a group of inspirational women, CPCA is taking practical action

to tackle the climate crisis. They are planting trees to restore forests, growing food using sustainable, organic methods and sharing their knowledge to help others in their community do the same. Their work is making a real difference, and the Friends of Chibombo group here in the UK raises funds to help them continue.

Take a look at the promises on offer, which include warm home surveys, guided walks, a delicious Christmas cake, sourdough bread lessons and more.

And we need your help to make the auction even better! **Could you offer a promise of your own?** Perhaps you could lend a hand with gardening, bake something delicious, make a special gift, teach someone a new skill, share your expertise or offer an experience someone would love.

Please let Jane know what you'd like to offer. I can add new promises as the auction progresses, so there's plenty of opportunity to get involved.
