\*Last year, Arts on the Green took place under strict Covid Protocols. The day was enjoyed by all and most artists reported "best sales of any show" they had been in previously.

We are planning a similar show this year under Covid guidelines, with a limited number of tents. Please be sure that we will take every precaution to make this show "SAFE". Your health and peace of mind is important to us. As we get closer to the date, we will send you updated information.
