

Guidelines of COVID-19

These are important guidelines to have in-person lessons. in order to protect your children and teachers, please following these rules:

- . Wear masks all timed during lessons; Fully cover the nose and mouth and secure under the chin and fit snugly but comfortably against the side of the face
- . Wait outside door; students are measured body temperature: a student cannot enter if he/she has more than 100 degree more higher
- . Only one student is allowed to enter a classroom, and please parents or siblings wait outside; parents who want to look at their children's lesson can watch by Facetime.
- . Wash your hands or use hand sanitizer before lessons
- . If students had symptoms of cold; fever, coughing, or sneezing, please stay home and take a lesson virtually
- . Students or their family members who tested positive for COVID-19 need to be quarantined or isolated as allowed by CDC guidance, After that, please take the PCR test and provide proof of the negative result.

Thank you so much for your cooperating
