Family Note

Hey Families,

This is our first week to learn about the fruit of the Spirit. As you begin to introduce the various fruit of the Spirit, you can help your children understand the value of spending time with God and keeping the fruit of the Spirit active in their lives. What happens if actual fruit is ignored on the kitchen counter or outside? As an example of this to your children, purchase two fruits that you know can get moldy or mushy. Put one piece of fruit on the kitchen counter, or even outside, and one in the refrigerator. After a few days, compare the fruit and talk about how good the fruit looks that was kept in the refrigerator, and how bad the fruit looks that was left out. Our spiritual hearts are the same way. When we keep our spiritual heart in a good place with God's Word and prayer, our heart is healthy and strong. But if we avoid God, our spiritual heart will turn out like the moldy fruit.

Fruit of the Spirit JOURNAL

Week One

This week we learned about the fruit of the Spirit. love,

joy, peace,

patience,

kindness, goodness,

Family Note

Hey Families,

This week we are going to learn how the fruit of the Spirit in our life points people to God and not to ourselves. Through the week, watch what your family members are doing and point out the positive fruit you see each day. Also don't forget to keep learning the memory verse. You can say it while you are driving in the car, and practice your verse at breakfast. Be creative and have fun learning God's Word together.

Family Note

Hey Families! As we learn about the fruit of the Spirit we also see that in order for us to grow good fruit, it takes some work. To help your family actually see growth, why not plant a small tree and watch it grow. The tree will need water, some fertilizer and constant care. You can also measure it to see how much it has grown. Your family will have a visual reminder of how their spiritual lives are just like the tree as it is care for, watered and soaking up the sun. We thrive as we read God's Word and allow the fruit of the Spirit to grow in our life! If you do not have room to plant a tree, try a houseplant! 🌱
