**Yahweh-M'Kaddesh**, You are who Sanctifies me... You make me Holy! I sure don't deserve it. I mess up so much. I get angry and say the wrong things, but You keep forgiving and helping me to become an overcomer. You pour over and through me Your living water to wash me clean of all my sins as I confess them to You Jesus... my Lord and the Savior of the world! You are the way, the truth, the life!
