### **IMPORTANT TO NOTE:**

No improvements, as defined herein, shall be commenced, erected or maintained upon the property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted in duplicate to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by an Architectural Control Committee. The Architectural Control Committee shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and site grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons connected with future development plans of the Developer of said land or contiguous lands.
