INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Central Susquehanna Sight Services

Opinion

We have audited the accompanying financial statements of Central Susquehanna Sight Services (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets—modified cash basis as of December 31, 2024, and the related statements of support, revenue, expenses and changes in net assets—modified cash basis, functional expenses – modified cash basis, and cash flows - modified cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Central Susquehanna Sight Services as of December 31, 2024, and its support, revenue, and expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Susquehanna Sight Services and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Central Susquehanna Sight Services' internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Susquehanna Sight Services' ability to continue as a going concern for a reasonable period of time.

Henring, Roll + Soloman

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Sunbury, PA

CENTRAL SUSQUEHANNA SIGHT SERVICES NOTES TO FINANCIAL STATEMENTS December 31, 2024

NOTE 1 - ORGANIZATION

The organization was incorporated in December 13, 1948. The purpose of the organization is to act as a bureau of information, provide training to visually handicapped, to provide industrial instruction for blind persons in the home, to aid the needy, aged, and inform blind, and to solicit funds to aid the blind.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The financial statements of the organization have been prepared on the modified cash basis of accounting. Under such method, revenues are recognized when received and expenses are recognized when disbursed. The organization recognizes fixed assets, investments, inventory, current liabilities and notes payable, which is a deviation from the cash basis of accounting.

Fixed Assets and Depreciation

Fixed asset purchases are recorded at cost. Depreciation of fixed assets is provided using the straight-line method over the estimated useful lives of assets.

Income Taxes

The organization is a qualified non-profit corporation under Section 501(c) (3) of the Internal Revenue Code. As such, the corporation is not required to pay income taxes, and therefore, no corporate tax provision is presented in the financial statements.

The organization is subject to routine examination by taxing jurisdictions. However, currently no examinations of any tax periods are in process. Management believes the organization is no longer subject to income tax examinations for years prior to December 31, 2022.

Investments

In accordance with the accounting standards codification, investments are recorded at market value. Realized and unrealized gains and losses are recorded in the Statement of Support, Revenue, Expenses and Changes in Net Assets.

Use of Estimates

The preparation of financial statements in conformity with the organization's special purpose framework requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The financial statements of the Organization have been prepared on the modified cash basis of accounting. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

CENTRAL SUSQUEHANNA SIGHT SERVICES NOTES TO FINANCIAL STATEMENTS December 31, 2024 (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

<u>Net assets without donor restrictions:</u> Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

<u>Net assets with donor restrictions:</u> Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as net asset with donor restrictions. This support is transferred from net assets with donor restrictions to net assets without donor restrictions as the funds are expended for their purpose within the year.

All contributions have been determined to have been received without donor restrictions.

Functional Expenses

Expenses are charged to each program based on direct expenditures incurred. Any program expenditures not directly chargeable are allocated based on a prescribed percentage formula.

Liquidity Management

Central Susquehanna Sight Services' financial assets available within one year of the balance sheet date for general expenditures are as follows:

Cash and cash Equivalents	\$199,511
Investments for current use	561,348
Total	\$760.859

Subsequent Events

Management has evaluated subsequent events through February 8, 2025, the date on which the statements were available to be issued.

CENTRAL SUSQUEHANNA SIGHT SERVICES NOTES TO FINANCIAL STATEMENTS December 31, 2024 (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Accounting Pronouncement

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Central Susquehanna Sight Services has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

NOTE 3 - CASH ACCOUNTS

A detail listing of cash accounts as of December 31, 2024 is as follows:

Petty cash	\$ 65
NOW account	7,967
Emergency checking	136,105
Event checking	41,795
Cash – Money Market	100
Cash – Susq Trust MM	<u>13,479</u>
	\$ 199,511

Excess cash deposits in the revocable trust are secured by a pool of pledged assets at Truist.

NOTE 4 - INVESTMENTS

The organization follows the Codification's guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Fair Value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. generally accepted accounting principles (US GAAP) establish the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- Level 1 inputs have the highest reliability and are related to quoted prices (unadjusted) in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date.
- Level 2 inputs relate to assets or liabilities with other than quote prices included within Level 1 that are observable for the asset or liability; either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

CENTRAL SUSQUEHANNA SIGHT SERVICES NOTES TO FINANCIAL STATEMENTS

December 31, 2024 (Continued)

Note 4 - <u>INVESTMENTS</u> (Continued)

Investments at December 31, 2024 consist of bonds and equity securities which are classified as Level 1 under the Fair Value Hierarchy (Level 1 inputs are quoted prices for identical assets in active markets) and are summarized as follows:

Assets at Fair Value as of December 31, 2024
