

CLIENT RESPONSIBILITY BED BUG PREPARATION CHECKLIST

DATE OF APPOINTMENT _____ TIME _____ RECEIVED BY _____

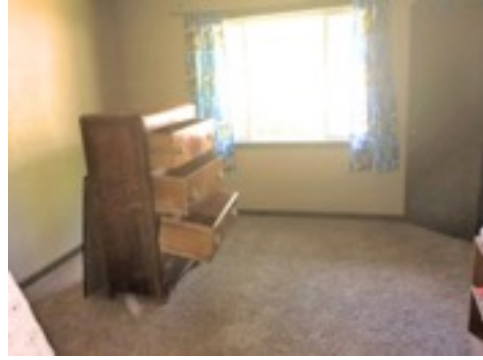

If the occupant does not follow this prep sheet we will not guarantee results. The service tech will be the only person who determines whether the occupant is ready or not. We will treat all rooms at the residence. Do not perform self treatments at anytime. The restroom and kitchen make good storage areas for bags and other items. Keep dogs, cats and reptiles outside of premise or inside bathroom with towel covering gap under door. Keep fish tanks covered with a towel. Please allow 2-3 hours until entry after service is completed. If you are pregnant, have allergies or any other medical condition please notify us in advance. Be prepared to leave once the tech arrives.

1. Remove all bedding, sheet, pillow cases, pillows, mattress pads, blankets, clothing and fabric. Put all items including pillows in dryer for 30-60 minutes and then place in plastic bags before service is started.
2. Remove everything from the dressers and night stands. All clothes should be placed in dryer for 30-60 minutes and bagged. All other items placed in a plastic bags before service is rendered.
3. Empty closets completely and run clothing in dryer for 30-60 minutes and bagged. All other items placed in plastic bags before service is rendered.
4. Move all items away from the wall atleast 12 inches in all rooms.
5. Remove the cheesecloth under the boxspring and couches.
6. Dismantle bed frames and stack beds against the wall so we can get a good inspection / treatment.
7. Take off all mattress encasements in all rooms.
8. Do not stack anything on beds, couches, chairs, dressers or any other tables in all rooms.
9. Vacuum all carpets, rugs and floors before service in all rooms.
10. Absolutely no clutter, paper, trash, toys, clothes or any other miscellaneous items on floor in all rooms.
