

CLIENT RESPONSIBILITY FLEA PREPARATION CHECKLIST

DATE OF APPOINTMENT _____ TIME _____ RECIEVED BY _____

If the occupant does not follow this prep sheet we will not guarantee the results. The service tech will be the only person who determines whether the occupant is ready or not. Please allow 2-3 hours until entry after service is completed. If you are pregnant, have allergies or any other medical condition please notify us in advance. Be prepared to leave once the technician arrives.

1. It is always recommended that you have your pets treated the day that your home is serviced.
2. Remove everything from the floors to include toys, magazines, pillows, and any other items so that all areas, especially carpeted areas, can be treated.
3. Vacuum all floors and upholstered furniture to remove all animal hair and any other debris. This should be completed before service and EVERYDAY for 7 days.
4. Remove vacuum cleaner bag, place in a plastic bag and dispose of outside the home.
5. Remove birds or any other pets(cats, dogs, rabbits, reptiles, ect.)... Cover aquariums with small towel and turn off aquarium pumps.
6. Upon returning home, open a few doors and windows to supply ventilation to your home to help eliminate any remaining odors.
7. Pet bedding should be discarded or washed in hot water and replaced with clean, fresh, bedding.

****IF YOUR NOT READY FOR SERVICE YOU WILL BE RESPONSIBLE FOR THE COST OF THE TREATMENT****
