Commitment and Signature

I acknowledge that coaching is a commitment, and I intend to engage fully into the process. I understand that there is a free first call and after that interview, I can choose to move forward or not, and I AM MORE can choose not move forward if they determine this coaching program is not a fit for me. Upon mutual agreement to begin coaching, I am committed to at least six months of coaching and will provide all requested documentation and information, as well as complete the exercises required to begin my journey to MORE.
